ASSHOLE OF THE MONTH

All that separates a cunt from an Asshole is a two-inch strip of damp skin, a piece of off-color tissue known as the *perineum*. The bridge between butt and twat is one of the most entertaining sections of a healthy woman, but it is a portion of anatomy that appears to be lacking on Joan Lunden. Lunden's two lower orifices seem to have fused into one. Mutating and expanding, feeding on a backed-up shit-stream, the single hole has become a talking, woman-size, self-propelling butt-pucker that captures HUSTLER Magazine's Asshole of the Month honors for November 1992.

For the past 16 years, avoiding Joan Lunden's feeble projection of perky wholesomeness on ABC's *Good Morning America*—a day-break puff-news series—has been a reward in itself for anyone too nauseated during the morning hours to get out of bed in time to be assailed by cardboard cutouts prattling sickly sweet inanities. Much of America had managed to sleep straight through talking-doll Joan's rise from her boot-low position as a vacuously grinning blonde who mouthed new-products pitches on *Good Morning* to the pinnacle of being a straw-headed sphincter with an empty smile who co-hosts the show. Indeed, the slumbering but discretionary masses may have gone about their business and prospered with nary a conscious thought of Joan Lunden and her righteous exploitation of all-American family values, except that Lunden took a shit out of character, and now her feces trail is on every

JOAN LUNDEN

tabloid, TV station and news magazine. There is no getting away from Joan Lunden's acrid spoor. At this very moment, traces are even singeing the nose hairs of HUSTLER Magazine's indomitable readers.

Lunden's impact upon this country's wide-awake saps was not confined to *Good Morning America*. While on the show, her belly strained over three pregnancies, which she flaunted as though the home audience were related to her, stopping just short of whelping on the air. Joan milked her high-profile expertise at getting knocked up and delivering spuds—an achievement that literally billions of women would appear to do just as well if not better than her—by being cred-

ited as the creative force behind the video, *Your Newborn Baby: Everything You Need to Know*.

Further mining the how-to family vein, Lunden teamed with her TV-producer spouse, Michael Krauss, to create cable shows that chronicled Joan's progress as a mother—*Mother's Minutes* and *Mother's Day*. Krauss also collaborated with his wife to produce *Everyday With Joan Lunden*, which was summarily cancelled, as has been Krauss's own daily regimen with super video mom Joan.

Lunden, 41, decided to shitcan Krauss, 52, after 13 years of marriage and three daughters. A *How to Remain Friends Through Divorce* instructional video is not expected.

Lunden began dating her ex when he was a head-cheese executive at *Good Morning America* and she was a bumpkin nobody. She's somebody now, and he can eat dirt. When ordered to pay temporary alimony to her dumped beau, Miss Mom—who sucks in \$2 million a year for getting up at an ungodly hour and putting on an inappropriate facial expression—snarled: "Why the courts don't tell a husband who has been 'living off his wife to go out and get a job is beyond my comprehension."

Prior to the split, Lunden had shed 45 pounds of flab. Within a matter of weeks afterward, she had enthroned herself in a brand-new, six-bedroom, 8,000-square-foot house. She stormed Bloomingdale's and demanded they furnish her new barn within ten days. She barged into an electronics store and insisted that seven TVs be delivered by the next morning.

"To be out on your own is really scary," she theorizes. Krauss claims that Lunden cleaned out their mutual checking account prior to springing the news of the separation. Perhaps money will allay her fear of being alone with no one to protect her from herself.

As a self-styled model mother, Lunden has picked up hefty endorsement fees to spiel products for Beech-Nut baby foods, a company that sold virtual sugar water in containers marked "pure apple juice." The Beech-Nut fraud is not much different from Joan herself, a sugar-and-spice image that is pure Asshole inside.

FARTS IN THE WIND

William Hart: The former Detroit police chief was convicted of stealing \$2.6 million from his department. Hart reportedly used the money to buy gifts for his three mistresses, to support a \$1,000-a-week lottery habit and to renovate a vacation cottage, where he could go to get away from the crime and corruption of the city and be a true-blue Asshole.

Uday Hussein: A son of Saddam Hussein, Uday ordered his bodyguards to open fire on fans at a soccer match in Baghdad when the

crowd began chanting slogans critical of Saddam. Uday is an Asshole just like daddy.

Sister Souljah: Big-mouth New York City rapper Sister Souljah was quoted asking the world, "Why not have a week and kill white people?" Sister S. claimed her message to kill was a black thing the rest of us wouldn't understand. Can her Asshole possibly be larger or stinkier than her mouth?

Jesse Jackson: Jesse Jackson has never shown himself qualified to do anything except pass hot air. When Arkansas governor Bill Clinton expressed distaste for Sister Souljah's kill-whitey sentiments, Jesse copped a righteous outrage and threatened to pull the block of black voters from the Democratic candidate for President. Actually, the only black block Jackson can pull is the one behind his own Asshole, and it seems lodged up there by his head.

Night of the Living Clit!

In our continuing effort to fulfill reader wishes, this month's suggestion box features one of the world's great overlooked wonders—Holly Ryder's clit. Holly's bulbous nub is a favorite among porn lovers everywhere. Let us know who and what body part to feature, and we'll attempt to satisfy every request.

The Breakfast of Fuckheads

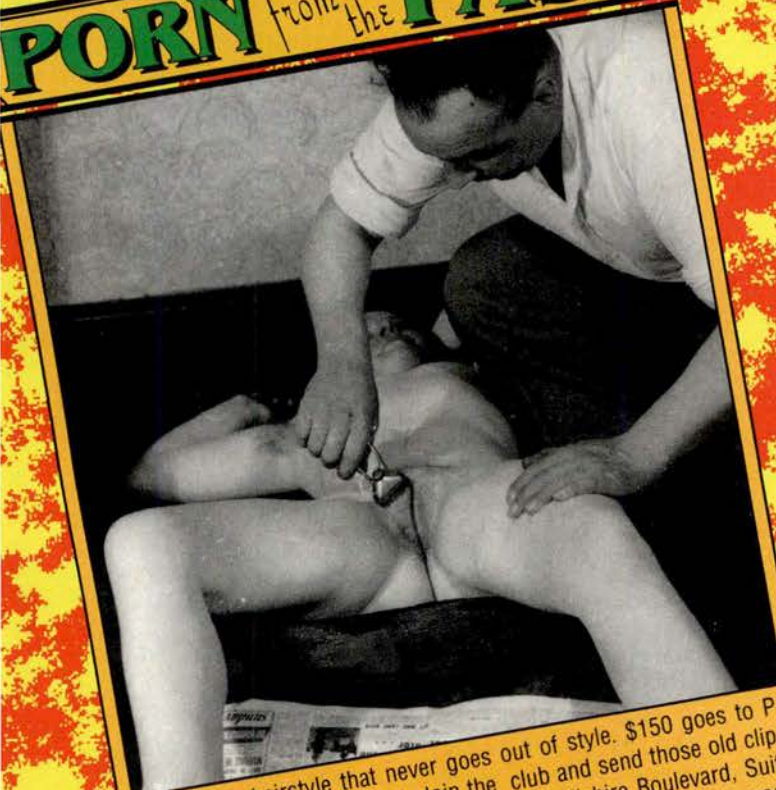

Fortified with no nutritional or intellectual value. An abundance of artificial flavors and colors will instill delusions of self-importance. Frosted Assholes are the best part of every Hollywood celebrity's power breakfast.

Parody. Not to be taken seriously. Celebrity heads pasted on to our puffed grains of cereal.

PORN from the PAST

Here's one hairstyle that never goes out of style. \$150 goes to P. Maggs for this stubby shot. Join the club and send those old clips to HUSTLER's Porn from the Past, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. *MOST TASTELESS CARTOON

Massive Potbellied Skinhound: Eats food, furniture and its own fat—any damn thing it can squeeze inside its corpulent belly. The weight of its tits alone would crush most men. Beloved for its rich, resonant flatulence. A valued companion to children, who see in it a lifetime's worth of marshmallows.

Golden Shower Retriever: This urinous hunter was bred solely to piss. A slippery water dog, its coat is smelly and absorbent. Has a tendency to beg and often sits pathetically on freeway off ramps. Pastimes include bathing in master's urine and salivating. Owners tend to be alcoholics or former politicians.

Pig-Snouted Skeeve Pincher: Bred in the manner befitting German viciousness, the Skeeve Pincher maintains the schizophrenic air of a Nazi. Sneaky and ill-tempered, it can be particularly vicious to humans who don't obey. Yet it is easy to train. The ears are cropped and erect to compensate for inadequacy and impotence.

Moody Marsupian Humpbelly: Constantly pregnant, this immigrant breed's sole purpose is to overpopulate the country. Odorous and difficult to please, this bitch has an insatiable appetite. It often resides with a single-owner family. Breeders acknowledge that coat hangers make perfect pacifiers.

H U S T Kennel Club The Mongrel

They're described as domesticated, carnivorous mammals raised in a variety of breeds that evolved from several wild species. Are they dogs or women? Sometimes it's difficult to

JAP-PEI: Descended from Macy's and Nordstrom's, this breed is most comfortable gnawing on a phone or complaining to its pups. Prefers to be the center of attention with its strident bark and gaudy adornments. Would rather not be touched and is difficult to train. Attentive only when played Manilow music.

Hungarian Herm Hound: A very rare and deceptive breed, which tends toward frustration. Sure to be a head-turner, its pussy is moderately deep and its cock constantly limp. Although a generous animal that gives and receives, it sadly appeals only to other freaks. Naturally, it's a favorite among the Hollywood chic set.

Siberian Souljah Sister: Tends to impose suffering, preaching-heart rhetoric upon similar breeds stupid enough to believe there's bite within its bark. A relentless and annoying dog who won't stop yapping even when its paw is stuck deep in its mouth. This whining, would-be martyr is blinded by rainbows and coalitions.

tell. In this twisted evolutionary vortex, which has already spawned Roseanne Barr, can these mutant creatures be far behind? Here's one world where we'd like to see dog eat dog.

Wirehaired Holy Pointer: Owners, put away those guns! This excellent bird dog is able to withstand pain and suffering while saving all things fowl. It is said that the animal descended from the heavens. Indeed, if God had a dog, this would be the one. Thus, the canine is tolerant and nobly defined, but never comes when called.

African Lep-Herd: Always on the prowl, this hearty breed was once handy in the savannah and has since proven tenacious walking the urban landscape. Built for speed, the animal is the fastest of the streetwalking breeds. Its habitual fondness for needles and powders gives it a characteristic leanness.

Shit Zulu: Incredibly intelligent and talented both in and out of the bush. Can be trained for a multitude of purposes, from hunting to fetching to playing the ukulele. Sheds its skirt for masters with large spears, but is otherwise impervious to fear. Although difficult to bathe, it's a natural under the limbo bar.

Blood, Shit & Tears

The Rock 'n' Roll Hall of Fame is set to open in 1993 in the musical mecca of Cleveland, Ohio. Featured mementos will include Jimi Hendrix's guitar and Buddy Holly's glasses. HUSTLER, however,

has discovered three items that would truly make the museum unique. We interviewed the owners of these artifacts to obtain some background information. But we got more... much more.

Mama Cass's Last Sandwich

I had been on the road with the Mamas and the Papas most of 1974. The atmosphere was deep and wide; so was Mama Cass. I went to her hotel room after a show on July 29. I begged her to eat a deli sandwich; whenever she ate onions, her pussy farts smelled like a gourmet Caesar salad. That drove me wild! After all we'd done that night, it seemed sadly ironic that a turkey Sub would be her ultimate undoing.

NOW

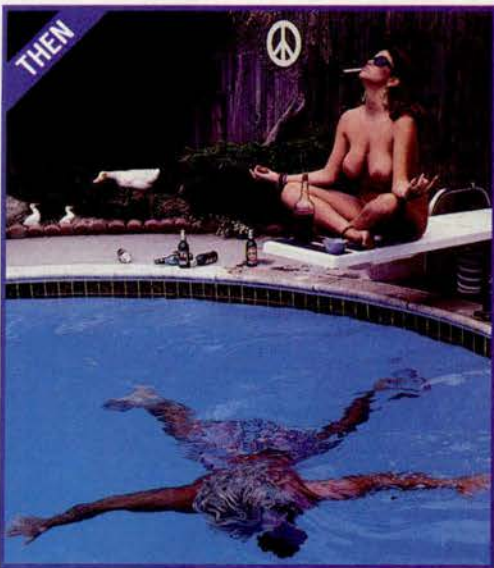

Did I pull too hard on her scarf, or did Mama scarf too hard on her meal? Should I have given her mouth-to-mouth? Would you? I'll never know. But I do know I'm sick of the larva swarm in my trailer, so I gladly sold her last sandwich.

To be honest, she was really just a fat pig who got on everyone's nerves.

Brian Jones's Lung Liquid

Brian Jones was probably the greatest drummer that ever lived. I can say that because I knew him well. All right; so I met him the night before he died—I still lived a lifetime in those early hours of July 3, 1969. Bry-Bry rolled me a cig and introduced me to the power of the mind. He was my Savior. When I saw him spewing blood, I had to take a piece of him with me. So I downed the wine and collected as much liquid from his lungs as I could before the cops came.

NOW

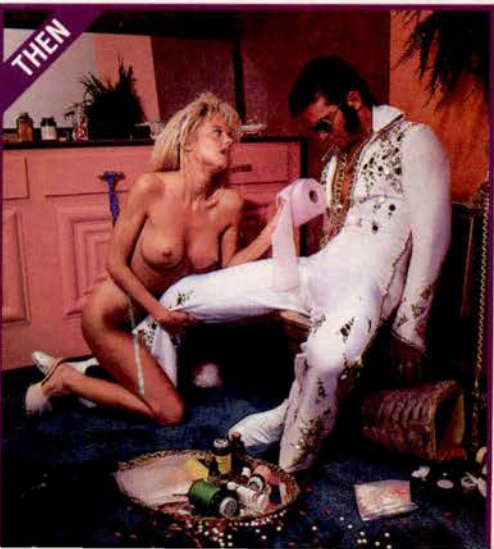

I still listen to the Who constantly. Nothing sounds better than *Physical Graffiti* when you're trippin', man. The music world will always miss Brian and, yes, I'll miss having this part of him. But, fuck, I need the cash, you know? Brian would understand.

Does anyone know where I can get a fix in fucking Cleveland?

Elvis Presley's Last Stool

August 15, 1977. It was the first time I'd seen Elvis live. I was immediately under his spell. I followed him home that night and made him banana and peanut-butter sandwiches. When the King died on his throne before I could wipe his ass, I fished his turd out of his pants and molded it into one solid mass for posterity.

NOW

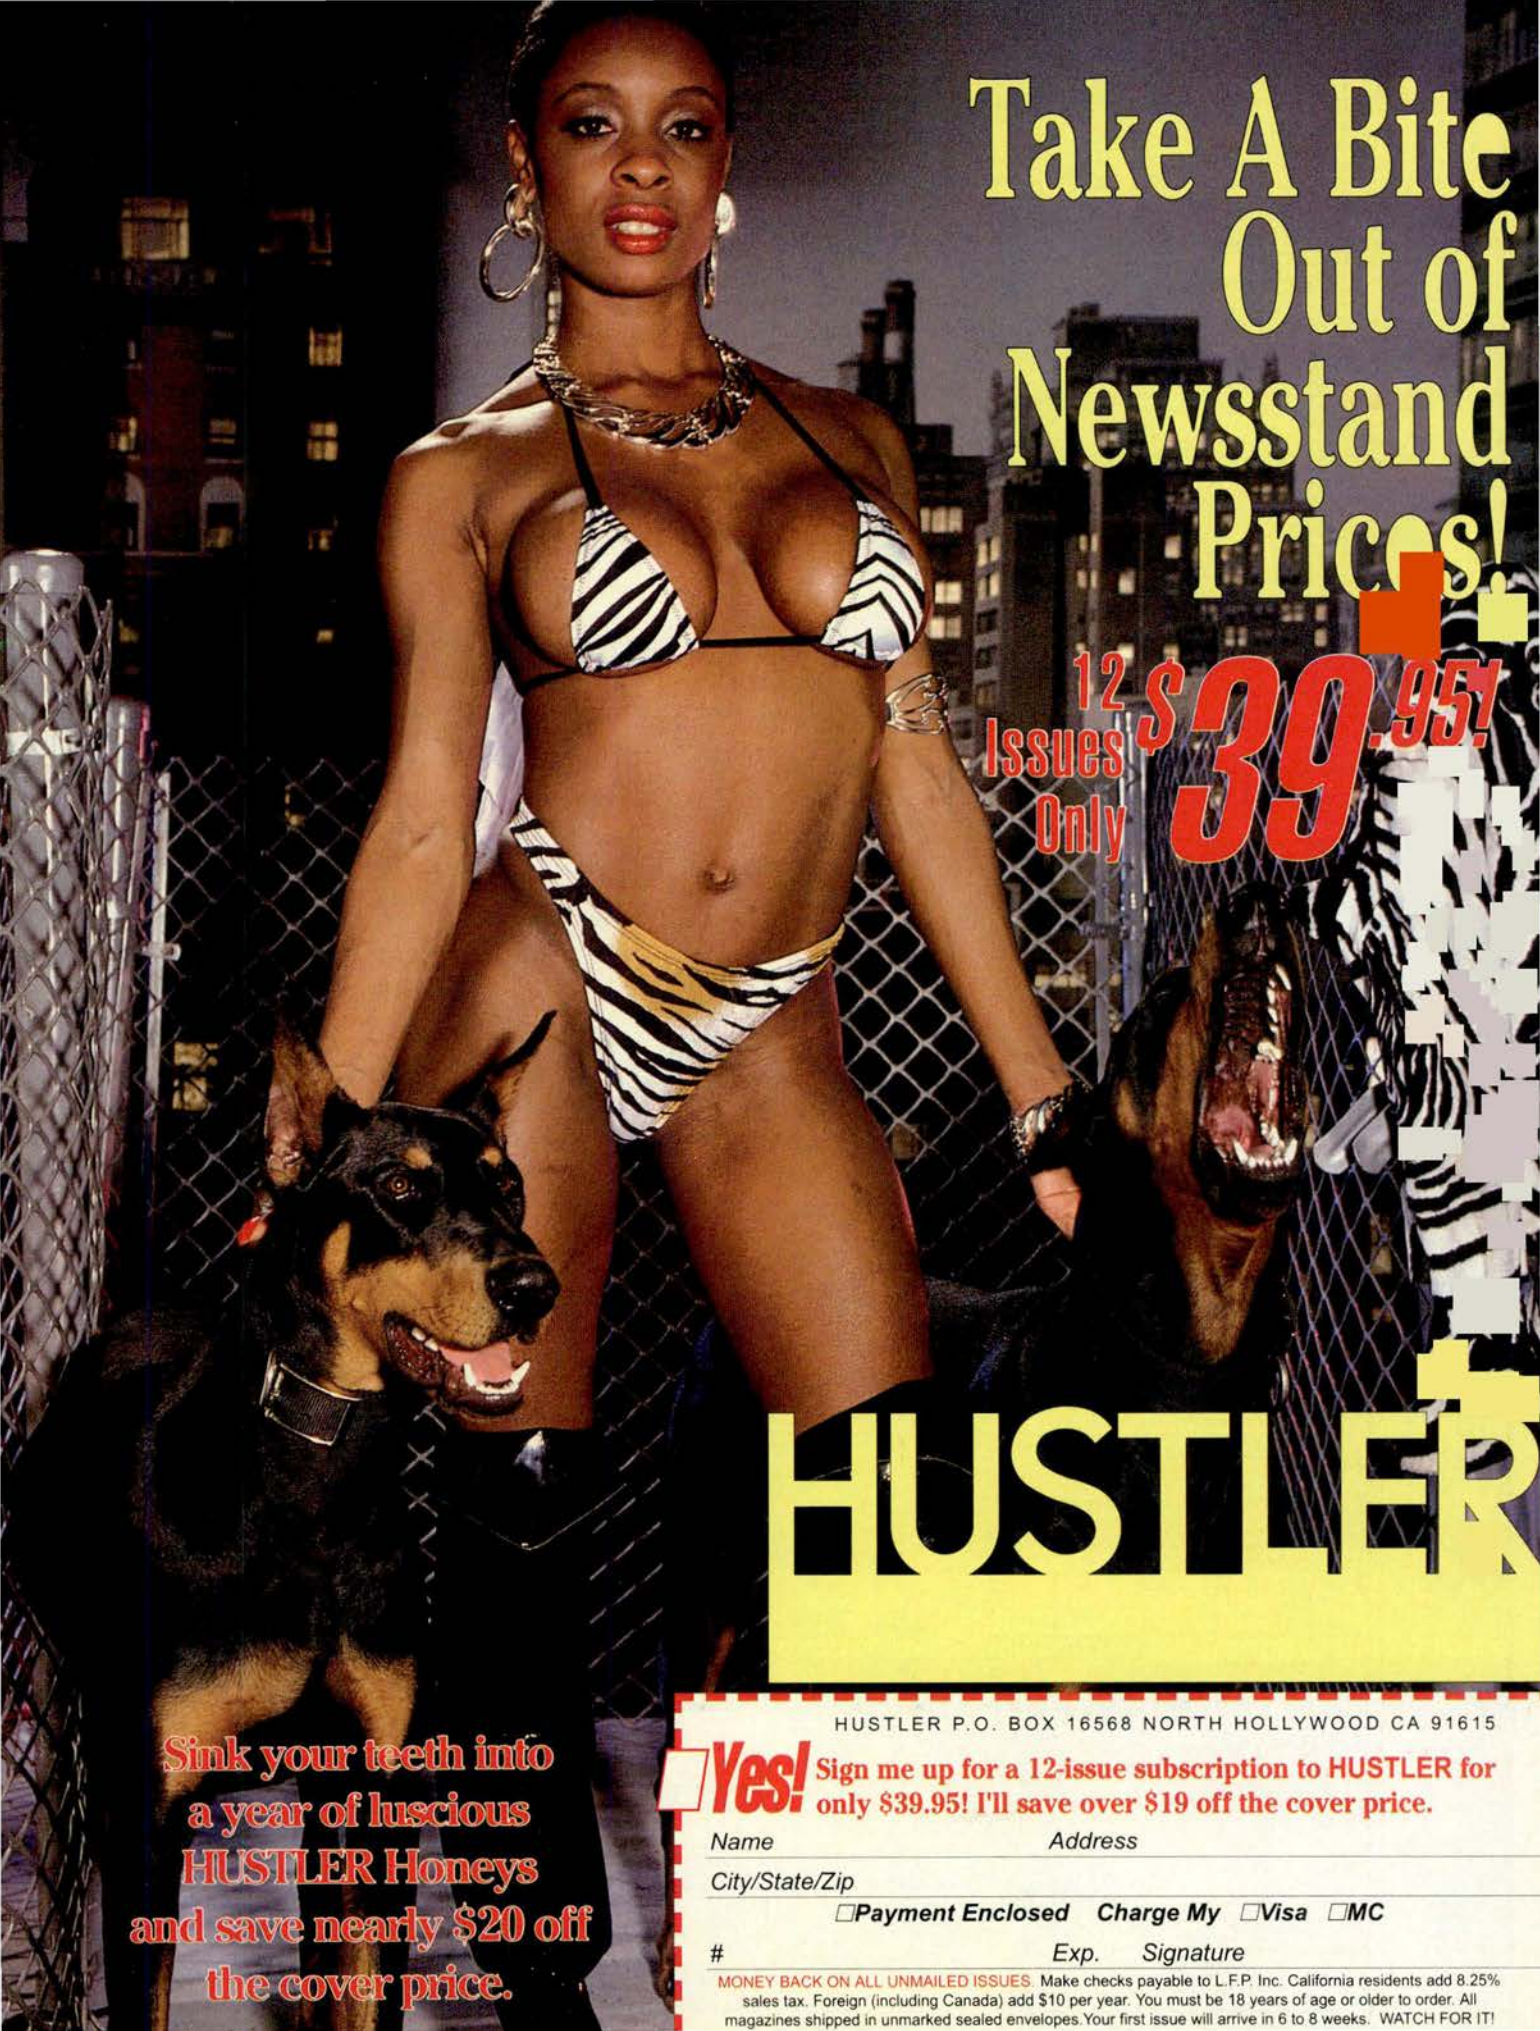

I've since patterned my life after Elvis. His last stool has given meaning and focus to my life. He transmits messages through the odor vapors of his regal fecal matter. He thanks the people for voting for his younger postage stamp and asks Priscilla to stop making movies.

Although I'm heartbroken, just maybe, within the turd, the rest of the world will be able to see the real Elvis for the first time.

Parody and fiction. Not to be taken seriously. These items and stories are fictional and will not be featured in the Rock 'n' Roll Hall of Fame.

ARMS TWIST

I've just finished reading HUSTLER's article *Hustling Muscle* (*Hustling Muscle and Shoveling Shit: My Life as a Strong-Arm Bully Boy*, August '92), and all I can say is, I'm damn glad to live in a country where I'm free enough to own a Beretta. —E. R.

Indianapolis, Indiana

HEDGIER, HOGGIER

It's bad enough that HUSTLER continues to repulse its loyal readers with unwanted photos of Ron Jeremy ("Interplanetary Pussy: Guys Like Ron Jeremy are Ruining Earth Women," *Bits & Pieces*, April '92), but do we have to endure an entire layout featuring Ron's illegitimate son Napoleon too (*Varisa and Napoleon: Big Top Pop*, September '92)? In the name of all that is decent, please, I beg you, stop punishing your faithful audience! What could possibly be next—Barbara Bush in *Beaver Hunt*? I'm feeling nauseated already! —R. F.

Modesto, California

Gee—why'd you go and spoil our New Year Beaver Hunt surprise: Barbara Bush and Marilyn Quayle with rabbit ears and cotton tails, spread-eagled? We were going to call them Bush Bunnies. Wouldn't that have been great? It's all spoiled now. We'll have to forget the whole thing.

SORRY, FRED—NOT THIS YEAR!

Dear HUSTLER: I only want to say one thing. How about getting together a couple of fine, white ladies in a centerfold, wearing rabbit ears and cotton tails, spread-eagled, and call it *Bush's Bunnies*, or maybe just *Bush Bunnies*? If you do that, I swear I'll eat out Chester's old lady's hot, wet pussy folds till she drops on her knobby knees and begs for more! —Fantastic Fred

Las Vegas, Nevada

FUTURE SHOCK

I'm 35 years old and have been reading HUSTLER for 15 years now. I'd like to know if an ad that you have in HUSTLER is for real. It's a company that wants \$12 for 75 hard-core videotapes, \$3 for shipping and \$2 for insurance. This deal sounds too good to be true. What's the scoop? —B. W.

Saginaw, Michigan

The scoop is, B. W., that any deal that sounds too good to be true probably is. If you're a gambling man, taking the risk is most of the fun, but when it comes to mail fraud, contact the U. S. Postal Service.

BLACK TO THE BONE

I was scanning an old HUSTLER that featured Rufus T. Bloodbone as guest editor of *Bits & Pieces* ("Messages from a Black Man," *Bits & Pieces*, November '90). What I'd like to know is, who is Rufus T. Bloodbone? He thinks he's so bad! I'd like to see

him take on Mike Tyson. I'd kick Bloodbone's ass myself! I have the utmost respect for black people, but when anyone, black or white, says they're better than low-class people like me, it pisses me off. —M. R. P.

San Antonio, Texas

Rufus T. Bloodbone calls himself "wiser than wise, kinder than kind, more black than Black, and more man than M. R. P. of San Antonio, Texas." Since we don't know anything more about him than what he tells us, we'll have to take his word on that!

WE THE PEEPER

HUSTLER's the greatest thing on paper, except for maybe the Declaration of Independence, but there weren't any Honeys in that! Readers have always been able to count on you for no-nonsense, straightforward articles and, of course, the hottest babes this side of the sun. Also, if something is a pure rip-off, you've got the balls to say so.

That's why I'm writing. I'm in prison, where it's hard to make contact with women (obviously). Is there a service or publication you can recommend whereby I could get some kind of written communication going with members of the opposite sex via the U.S. Mail? I hope you can help me out. Paying for a mailing list is no problem, but I don't want to be scammed on. Even if there's little or nothing you can do, I'll still keep reading HUSTLER! —R. A. M.

You're right, R. A. M., *HUSTLER's* got the balls to rat on ripoffs. Our October 1992 issue featured *Prison-House Marriage Rackets: Putting a Mark on Wedded Bliss*, an inside look at incarcerated convicts' lonely-hearts scams. If you're looking to swindle, the market's wised up. If not, a personals ad in an Illinois newspaper might net a heartfelt connection.

PIECE-A LEESA

I recently picked up your June issue, and I tell you, some of the features were bodaciously interesting and humongously exciting!

The hottest and most exciting sight that I laid my eyes on was the layout on Leesa, the exotic dancer (*Leesa: Wrapped in Kink*, June '92)! I want you to know that she was very hot with the red boots...and those poses! All I could say was, *Wow!* Never have I seen anyone like her. The only thing was, there was no description of her—physical attributes, age, etc. Could you tell me a little more about her? If so, please let her know how much excitement she brought me!

—E. P.
Lexington, Kentucky

Leesa, a 19-year-old lexicographer, has been awarded a Fulbright to study the ancient Egyptian language of Meroitic in Montpellier, France. Unfortunately, her table-dancing career must be curtailed, but she hopes to continue stripping between glottochronological hypotheses!

HARD CUT

I am an inmate in Alabama, doing life without parole, I'm 29 years old, and I've just taken out a subscription to *HUSTLER*. My first mailing was the June 1992 issue; my next was August 1992. I'd like to ask what happened to my July book. The stories are good, and the women are the best in any titty mag.

—L. C.
Atmore, Alabama

We don't know what happened to July, L. C., but the powers-that-be regularly confiscate all sorts of literature on the grounds that they're protecting society from harm. Sweet guys, ain't they?

IT'S SISSY—AGAIN!

I'm writing to tell you how much I enjoy *HUSTLER* and to say a few things about it.

First, let me tell you that I have been subscribing to the magazine for years now, and I've thoroughly enjoyed every one. Even my fiancée likes the pics and humor! To those who don't like *HUSTLER* or the ads in the back, or think there are too many cocks, buy something else or turn the page! I love the pictures, letters, video reviews, in-depth stories—and I think even the ads are a kick. For those who don't like the ads, here's a hint:

Look closely, as there are a lot of hot, nude women and funny sayings to catch your eye.

Second, there are some things I'd love to see in *HUSTLER*. Since this is a real American magazine, I'd like in-depth articles on all 50 states, say two or three a month, about their best titty bars, swingers clubs, mags and adult toys, plus where to find hookers, nude beaches, and so on. I believe it'd make an excellent travel guide. When planning to go somewhere on vacation, all a guy would have to do is check his *HUSTLER* library for the right stuff!

Last but not least, *HUSTLER* has the best photo spreads in any adult magazine. There's plenty of pink pussy, women's assholes, tits, pretty faces and just enough cock thrown in for fun. How about some layouts of tattooed ladies and women with pierced nipples or clits? I would really love to see Sissy, the Texas Tunnel, spread wide open in a centerfold ("Sissy, the Texas Tunnel," *Beaver Hunt*, January '90; "Superstar Sissy," *Feedback*, April '90; "Sissy Speaks!" *Feedback*, February '91; "Sissy Redux Sucks," *Feedback*, May '91; "Sissy Marches On," *Feedback*, October '91)! That's one wild-looking pussy! She's got a big fan right here. You have one fucking great magazine.

BOOK OF LOVE

Hi, *HUSTLER*! I'm an inmate at Dorchester Penitentiary. I get to read *HUSTLER* whenever someone brings down a book. I'm in the hole because I'm a bad boy. I love *Hot Letters*, which are fucking great to get off on.

Truth be told, *Hot Letters* drives me crazy. When my wife comes to see me, we have to visit behind glass; so we make the best of it. We talk about plans for when I come home in December this year, but before long my cock gets hard, and I can smell the scent of sex, and the *Hot Letters* I read the night before run through my head and make me hotter than hell. Before long I pull my 6-3/4-inch cock out, and I'm all off masturbating behind the glass while she shows me her wet, sweet, tender, pink pussy. I feel myself going *Wow! Holy shit!* and off goes the gun. My wife enjoys it as much as I do. Back it goes, into my pants, and we're talking once again of the plans for my homecoming. Thank you for keeping my mind occupied while I'm not one-on-one with my wife!

EDITED BY SCOTT MALLORY

RAUNCH 4

Three-Quarters Erect. Directed by F. J. Lincoln and Patti Rhodes; starring Silver Forest, Deidre Holland, Peter North, Bianca Trump, Chanel, Malia, Jon Dough and Sean Michaels. Videocassette: Coast to Coast.

Call it a porn triple-play as Deidre Holland, Euro-goddess Silver and Bianca Trump dare the viewer to last through this vid's first three scenes. Jon Dough gives Holland a thorough spritz, with hot editing that cuts from Holland's bung to her sharp, red nails dug into a black-leather chair. Silver poses for Peter North's one-eyed lens in a photo-fantasy sequence. Lucky stiff North returns home to wife Trump, who feeds him dinner in bed. He cuts to dessert, topping Trump's enormous tits with whipped cream, then adding his own frosty topping to her treasure chest. Silver brings homeless bum Sean Michaels back to Dough's pad for a steamy shower. His dick scrubs her tonsils as water cascades past her sparkling, blue eyes. The actors won't be the only ones in need of dry towels.

—Luc Faucette

Trump serves dinner in bed.

The actors won't be the only ones in need of dry towels.

Saki is **Caught** by a pair of floppy flinchers.

GEREIN' UP

Three-Quarters Erect. Director: Michael Craig. Starring: Ashlyn Gere, Heather Hart, Jon Dough, Alicia Rio, Mike Horner, Tianna Taylor, Scott Irish and Cassidy. Videocassette: VCA.

Ashlyn Gere's pussy is like a Molotov cocktail: full of juice and ready to explode. Just put a lighted cock in it. *Gerein' Up* has some *Fatal Attraction* overtones—Gere's a slightly deranged woman, sexually obsessed with Jon Dough, who's married to Alicia Rio, a beautiful Latina fuck vixen. The first sex occurs between Scott Irish and Tianna Taylor, a typical pump intercut with Gere teasing Dough in a car. Gere drops an overheated Dough off, then peeps in a window as he crams Rio's beautiful cunt on a countertop. Later, Gere gives Cassidy's plump, lovely cunt a good sucking. Heather Hart, a big-titted dolly, bends over for Horner, who administers a tonguing and boning to her juicy quim. Unfortunately, poor lighting obscures some action—a curse throughout the movie. Gere's over-the-top sexual aggression will give crankers—especially ones who enjoy a good tease—more than enough tugging.

—Dewey Huevos

DRI...ING M...: DAISY CRAZY AGAIN

Three-Quarters Erect. Directed by Robert McCallum; starring Sunny McKay, Venus, Mona Lisa, Shawnee Cates, Saki, Peter North, Sean Michaels, Ron Jeremy and Cal Jammer. Videocassette: Western Visuals.

Ron Jeremy's nightclub is the only place to be. Sunny McKay, in a classic smut performance, watches live sex and succumbs to the power of drinks and dicks. Onstage Cal Jammer and Peter North DP beautiful Negress Venus, who could teach the Jackson family something about skin-whitening with a face full of chalky chum. Shawnee Cates, a tasty pineapple with soft Hawaiian features, poses for Mona Lisa's tongue, in a scene marred by director McCallum's intrusive offstage orders. ("Okay, now put your hands on your breasts.") McCallum shuts his trap when Lisa takes North in the ass and has her shit pool filled with a sea of cum. McKay's blistering intensity shines as the lithe Aussie takes two shots in the kisser and, with an artisan's skill, drools the pearly dollops from her mouth to her chin. In the finale, McKay literally stands on her head while Sean Michaels kicks field goals between her legs and leaves the musty taste of the club resting on her tongue.

—L. F.

CAUGHT FROM BEHIND 16

One-Quarter Erect. Directed by Jim Enright; starring Nina Hartley, Rachel Ryan, Ron Jeremy, Melanie Moore, Trinity Loren, Saki, T. T. Boy, Marc Wallace, Joey Silvera and Jake Williams. Videocassette: Hollywood Video.

Nina Hartley, Ron Jeremy and a cast of 1,000 condoms present the 16th installment of this butt-plugging series, proving once again that old porn performers don't die, they make *Caught From Behind* flicks. Jeremy plays Dr. Proctor, a butt-brained medico who prescribes a healthy dose of ass reaming to cure everything from frigidity to jock itch. T. T. Boy sticks the advice in Trinity Loren's larger-than-life sphincters, while Melanie Moore and Jake Williams prove a woman is never so beautiful as when she shits dick turd. The anal sex and set-ups are standard series fare, while most of the seven scenes are over-long, awkwardly cut and performed on examining tables. The tape finishes on an interesting note as Rachel Ryan and Hartley strap on floppy flinchers and double-stuff Saki's southern exposures.

—L. F.

You best be **Gerein'** up for this explosive pussy.

GRETA GORBY

While communism crumbled and a breeze of freedom swept through Red Square, a stunning brunette wasted no time. She packed her bags, kissed her folks good-bye and abandoned the long bread lines for a taste of American decadence. Greta Gorby was born! Gorby, a towering, six-foot slavic slattern, is pure White Russian. During a break in the filming of her first X-rated video, *Backdoor to Russia*, Gorby invited us into one of the bedrooms for a little privacy.

Fill us in on your background. I come from Leningrad, where I was born and raised. I am a high-ranking admiral's daughter, which meant that we were fairly privileged compared to most citizens. But we were also closely watched by the KGB because of my father's position in the Red Army. Even though we weren't the working class, we were still fairly poor. I guess you could compare it to the lower middle class here in America. I came to this country because I yearned for something better. I was bored with the life I was leading, and I wanted to explore. America seemed very seductive and decadent to me. I needed to rebel against my parents.

What do you like about being a porn slut? I love the sex. I get to fuck all these hunky studs. The money is good. I love the attention. I'm looking forward to getting fans. I love how people watch me fuck and get all choked up and horny. So far, I've liked everyone I've worked with. Two people stick out. Jake Steed has an enormous cock, and he fucks like an animal. I like him. Cal Jammer and I did an anal together (pictured), and he was hot. I like more than one guy at a time. I like it up the ass. Or both at the same time. I see porn as an opportunity to live out as many of my fantasies as possible.

Is there a difference between Russian men and American men?

Russian men are uncircumcised. In the beginning, it was very intriguing to handle a circumcised dick. Americans are also more prone to talk dirty and experiment with sex. Generally speaking, it's hard to peg a distinct difference. It's very individual. I've had fantastic lovers, and lousy ones, from all kinds of nationalities and races. Though I've never had a Swede.

BEAUTY AND THE BEACH

Half Erect. Directed by Derrick Lane; starring Racquel Darrian, Rayne, Holly White, Bionca Trump, Mickey Ray, Rod Ryder and Derrick Lane. Videocassette: Coast to Coast.

Too much MTV-type posing and voguing sabotage this sex saga. The first fuck is the finest, featuring raunchy Rayne reaming Mickey Ray and Rod Ryder with her hungry mouth and horny snatch. After that, viewers are subjected to flashbacks and lame attempts at psychological drama. When there are only three meetings of muff and member, and one of those is Racquel Darrian and her same ol' same ol' Derrick Lane, sex-cinema fans have a right to complain. The director would do well to study the sizzling cinematic techniques of Bruce Seven before beginning another project. —Woody Hood

Not much beauty on the **Beach**.

ANAL ADVENTURES 2

Half Erect. Directed by Jackson St. Kelly; starring Anisa, Melanie Moore, Alicyn Sterling, Tom Byron, T. T. Boy, Nasty Nancy and Courtney. Videocassette: VCA.

Porn is about fantasy, and in this recession-free fuck flick most characters have nothing to do but stay home and fuck. Tom Byron is supported by Nasty Nancy, who likes her pet prick to make obscene phone calls and to fuck her while the other party listens in. Mere news of his calls inspires T. T. Boy to stuff his secretary Anisa, who has one of the largest, most durable shit chutes in porn and is more reluctant to blow Boy than take him into her turd mine. Alicyn Sterling would also rather jerk than suck, but Byron's mouth-to-muff inspiration gets her holes open. Melanie Moore is primed to go bobbing for pussy with Courtney and even rub her brunet neighbor's browneye. Byron plunges his pecker into Nancy's awe-inspiring asshole as he is instructed to do. Boy has a similar problem, coming home to find wife Moore demanding to be fucked in the ass. He complies, spewing on her rear cheek, and is rewarded with a steak dinner—as if anyone can still afford beef. —Kent LeLak

Pet pricks on a butt-banging **Adventure**.

Miyagi is **Made** for munching man meat.

There should be some butt-fucking in **Rio**.

A boiling bathtub balling leaves boners **Spellbound**.

MADE IN JAPAN

Half Erect. Directed by Nancy Memo; starring Mimi Miyagi, Hyapatia Lee, Randy Spears, Debi Diamond, Blake Palmer, Shawnee, Scott Irish and Jake Steed. Videocassette: Vivid.

This is nothing more than a collection of clips linked together by Mimi Miyagi's inept and ultimately inconsequential narration. This cutie is a much more effective and meaningful communicator when she's munching on a mouthful of man meat. Fortunately, the clips include Debi Diamond taking a Blake Palmer bone blast on her shining smile, sultry squaw Shawnee rocketing into big-O orbit on Scott Irish's thrusting tongue, and the ever-erotic Native American Hyapatia Lee's half-scalped squack impaled on the sword of Randy Spears. Much of this tape harkens back to a time when the words *Made in Japan* were synonymous with "cheap."

—W. H.

BUTTMAN GOES TO RIO 3

Half Erect. Directed by John Stagliano; starring Sheila, Daniella, Paula, Vivian, Fernanda, Maria, Rocco Siffredi and Vinnie DeMarco. Videocassette: Evil Angel.

With beaches full of sun-browned buns, and nightclubs packed with stripped-down sluts, Buttman John Stagliano can't keep his dick or his camcorder out of Rio. His constant companion, Rocco Siffredi, gets Sheila for his first fuck. A tiny, squealing slut who does a great Linda Blair imitation, Sheila squats on Rocco's staff and then wraps her legs around Siffredi in a mid-air dicking that leaves the Italian timber genuinely shaken. Luring Daniella and Paula, a pair of young-faced fur pies, into the hotel pool for a rock-video tryout, Vinnie DeMarco gets two tongues on his tool. DeMarco can't keep his face out of their butt cheeks, which get a nice helping of spunk poured on. Besides being desperately in need of more editing, this flick also needs butt-fucking.

—K. L.

SPELLBOUND

Half Erect. Directed by F. J. Lincoln; starring Teri Weigel, Britt Morgan, Bridgette Monroe, Barbi Dahl, Peter North, Zara Whites, Tom Byron and Randy West. Videocassette: Cinderella.

Teri Weigel stars as a housesitter who attracts the attention of neighbor Peter North, an oversexed movie star who promises to help her fledgling acting career. He starts by showing her the ins and outs of the business in nut-busting style, a dynamic melding of cock and cunt that finds Weigel in vintage vocal form. Rock star Tom Byron plays a riveting riff with Weigel as well, a boiling bathtub balling that features some prize pussy-eating. Zara Whites's staircase schtup with Randy West is another grind that proves galvanizing for the gland. When Weigel and Whites spread their snatches, *Spellbound* induces bewitching bopping.

—Sam Lowry

HUSTLER VIDEO

SEX IN THE SINGLES BAR

Half Erect. Directed by Rusty Marinara; starring Danielle Rogers, Heather Hart, Courtney, Sharise, Anisa, Randy Spears, Rick Blaine, Ron Jeremy, Jeff James, Biff Malibu and Tom Chapman. Videocassette: VCA.

In addition to serving drinks and washing glasses, bartenders set the tone for an establishment; so the first fuck in *Sex in a Singles Bar* goes to proprietors Danielle Rogers and Randy Spears. Rogers looks great, a little less anorexic than usual; Spears laps his wife's labia, fucks her fine squack and smothers her stomach with sperm. Tom Chapman sucks on Anisa's thighs before perusing her poon. The steel table supporting them shakes with their screwing; having admitted how much she likes sweaty sex, Anisa gets a jism glaze as well. Ron Jeremy presses his hairy mouth against Courtney's gash lips before he rams his rod into her rear while she blows Biff Malibu's bone. Jeff James spanks Heather Hart's ass cheeks while poking her pussy against a pinball machine. Rick Blaine tries to get his cock hard for the pussies of Courtney and Sharise, but by that time, happy hour is over.

—K. L.

They own the **Bar**; so they get the first fuck.

THE PINK PUSSYCAT

Three-Quarters Erect. Directed by Duck Dumont; starring Ashlyn Gere, Melanie Moore, P. J. Sparxx, Trixy Tyler, Flame, Carolyn Monroe, Peter North, T. T. Boy, Tom Byron, Rachel Mann, Tom Chapman, Jordan Smith, Jonathan Morgan and Henri Pachard. Videocassette: Caballero.

Fans of Ashlyn Gere should stick *The Pink Pussycat* into their VCRs and remove the eject button. Her slutty snarl, hardened-but-pretty countenance and pneumatic cunt are featured in this Duck Dumont-directed HUSTLER video to great effect. Peter North's arcing geyser of cum drenches her chops from two feet away. She gulps at each glop like a circus seal going after thrown sardines. Butt-wench extraordinaire Trixy Tyler does a spectacular turn with Tom Chapman, opening both holes to his probing crotch horn. Their delight is intensified in this scene, as in all the rest, by glistening camera work and precision editing. P. J. Sparxx handles her goofy lines nicely and shows unfeigned enthusiasm for her co-stars' meat drivers, and Gere's slurp bit with slinky Melanie Moore is unusually heated for a girl/girl mash. Only the final scene with Byron, Gere and Rachel Mann betrays signs of weary pornsters earning their dough. Gere shines like the cunt-stuffed sex craver we all know her to be. Her pink pussy will have jerkers stroking something other than their cat.

—D. H.

ANAL UTUR

One-Quarter Erect. Directed by David Scott. Starring: Melanie Moore, Saki, Sharon Mitchell, Maxine, Cal Jammer, Don Fernando, Ted Wilson, Tom Stone and Shane Hunter. Videocassette: VCA.

Welcome to the future. Most of the male population has been rendered sterile due to ozone depletion and solar radiation. Enter the F.B.I.—Federal Bureau of Insemination. Yup, a pack of lusty future gals in search of potent sperm. Cute idea, boring flick. Ted Wilson allows Sharon Mitchell to blow and ride his knobby cock. He spunks in a flask. Saki, a curvy Asian with a slutty manner, coaxes Don Fernando of the Brothers of Perpetual Sorrow to forgo his vow of chastity, and he pops her cooze. In possibly the only entertaining moment of this vid, Fernando mugs like a mute idiot while ass-fucking Saki—she wonders what the facial contortions are about—so he writes on a pad, “I’m moaning, you fool!” It’s downhill from there. The tape finishes inexplicably with Shane Hunter being blown by Mitchell. Stray footage is spliced in randomly, way out-of-place classical music obscures nearly all dialogue, and the cameraperson was probably working on crossword puzzles during every scene. This *Future* sucks. —D.H.

MOONDANCE

Half Erect. Directed by Tony Warren; starring Rachel Ryan, Viper, Sabrina Dawn, Lucinda, Renee Summers, Mandy Monroe, Tom Byron, Marc Wallace, Eric Price and Raven Richards. Videocassette: Western Visuals.

It’s definitely quantity over quality here. Lots of sex scenes (seven) and a finale featuring multiple couples coupling almost compensates for an incredibly inane story that casts Viper as a sex-ed teacher and the rest of the fuckers as her students. What any of it has to do with the title will forever remain a mystery. Annoying edits further deflate aspiring dicks, as scenes cut away just as the blood begins to boil. The starlets aren’t especially pretty, but they know how to do the nasty. One out of two is half bad. —W. H.

Moondance is half bad.

(continued from page 15)

Last! We're 18 and You'll Like It! July '92), and there inside was Volume 19 plainly manifest. "Now Bethanie was nigh unto Jerusalem, about fiftene furlongs off: the Gospel According to St. John; the Revelation of St. John the Divine; the Last Leafe of the Booke of the Lord: And the city lieth foure square, and the length is as large as the breadth: and he measured the city with the reed, twelve thousand furlongs: the length, and the breadth and the height of it are equal. And he measured the wall thereof, a hundred and fourtie, and foure cubites, according to the measure of a man, that is, of the Angel." This was written in 1611, and a boxe hath 12 edges.

Thou speaketh mightily, Trash! Nigh upon the booke rack lieth HUSTLER, and the breadth and height of it are equal to the phone-sexe ads, and the pages weareth a glossy coat, for where Honeys drippeth cometh the rod. Get thee forth and buy multiple copies, for Thou art chosen to spread the Word!

NAH—WAY TOO EASY

I can't take it anymore. I have to tell someone of my sexual fantasy! I guess your magazine's the lucky one! Ready? This is it: Put me and *all* of HUSTLER's 1992 Honeys of the Month in a 24-hour, porno blowout!

Damn it, Honeys, fuck me in a 24-hour, porno blowout anytime, anywhere, please, please, *please*, with cum on top. Yes, I'm unemployed, but I'll pose for free with any of you chicks as long as we go all the way!

Where the hell does HUSTLER find these babes? God knows I wish they lived around here. Lately gorgeous Cindy and Misty (*Cindy and Misty: One-on-One*, June '92) are getting way more pussy than I am. What should I do to correct this situation? It's not right! Can you help me, please? Or am I just a poor, pathetic excuse for a human being?

BUNNY BREAKS A HEART

Hello, HUSTLER! I'm writing in hope that you may be able to answer a few questions about a favorite porn actress of mine—Bunny Bleu. What has become of this adorable, sweet starlet? Is she still doing movies, or is she retired? Bunny Bleu has been my favorite porn queen since I first laid eyes on her in the movie *Unthinkable*. I fell in love with her then, and I've been in love with her ever since. She is, as I said,

adorable and sweet, but she is also a darling and a very nice girl. Every time I see her in films or in pictures with a cock or two in her face or a pussy at the tip of her pink tongue, I get the feeling she's looking at and thinking about me and me alone! Yet she isn't even aware I'm alive. I want to know everything I can about her, please! I miss her very much. She has stolen my heart. She is an angel of love, lust, passion and sex.

—L. L.
New Smyrna Beach, Florida

According to Scott Mallory, HUSTLER's

Erotic Entertainment editor, Bunny Bleu has fallen in love and moved out of the jizz biz. So she'll never reciprocate the tender feelings you have for her, L. L. While you try in vain to console yourself, remember that no porn queen will ever take the place of Bunny Bleu!

Do you have a comment, suggestion or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a phone number if you want your letter considered for publication.

HOT LETTERS

BASTE TO TASTE

Everyone knows holidays are bullshit, but for me there was one gathering that has made every Thanksgiving since worthwhile and, believe me, it wasn't because of the shitty family sentiments. It was November of 1985. My wife and I had agreed to cook for both sides of the family; so our turkey was enormous. We stuck it in the oven early and, as we began preparing the side dishes, I noticed for the first time the passion and control my wife maintains in the kitchen. Every time she ordered me to stir something, I felt a tingling in my pants. At first it seemed strange.

Anyway, I was peeling potatoes when I noticed Irene scrubbing some fresh green beans. From the enthusiasm of her movements, water had splashed against her white blouse, which clung tightly to her chest. Her mams were large and, in those days before the kids, they stood proudly off her chest. Her nipples were dark compared to the snowy whiteness of her breasts and, with the wetness, they were barely concealed.

I put down the peeler and sauntered quietly up behind her, moving my hands around and pressing my palms into her chest mounds. Her nipples were so hard, they almost pierced my hands. My cock was fully erect, and I thrust it against her backside. She turned and practically pierced my eyeball with a long, waxed bean. "Jesus Christ, you scared the shit out of me!" she yelled. "I thought I told you to peel those potatoes!"

Her raised voice really turned me on. I felt like a little kid being scolded by his kindergarten teacher. I would've wet my pants if my hard-on hadn't blocked the golden flow. "I tell you what," she smiled,

with an air of calm control. "For each task you perform, I'll peel off another piece of clothing until I'm nude."

"Then what?" I asked, excited.

"We'll see if you've been a good boy."

I smiled and returned to finish off the spuds. Sure enough, once the brown skin was peeled off, so were my wife's cotton shorts. As she stood over the sink in the briefest of briefs, I stirred the pie-crust mixture. Upon my completion of this task, Irene took off her blouse. The perspiration between her tits made her entire chest shimmer with energy. Tiny goosebumps surrounded her nipples like orbiting stars.

I took out the trash at her request and, when I returned, her lacy, blue panties had fallen to the floor. She was naked except for the white, string apron that hung discreetly over her slender ass.

Irene played the scene very coolly, filling the pie crust with a frothy, yellow meringue mixture as if nothing were out of the ordinary. When she bent over to grab a mixing bowl, her right breast wiped through the pie's creamy surface, leaving a nipple indentation in the otherwise smooth pattern. I paced anxiously across the linoleum, waiting for her next command, but she obviously wanted to torment me. "Please," I implored, "let me wash or peel something." But she only smiled and bent over a low cabinet. The tiny apron slowly slid upward revealing her golden ass cheeks and the prize within. She purposely held the position long enough for me to mentally climb inside her parted pussy lips. She reached around and scratched the cheek of her ass and quickly pulled on the buttock, revealing even more of her pink vulva. My cock pressed its advantage against the inside of my jeans.

Finally the sexual tension broke when the oven bell rang—it was time to baste the bird. Concealing a salacious smile, she handed me the plastic baster. The final task was at hand! I pulled the bird from the oven and set it on the counter, nearly burning a hand in my exuberance. My attention, however, was diverted by the tanta-

lizing tease of her loosened apron, pulled slowly aside to reveal the sculptured masterpiece of her cunt.

She hoisted herself onto the counter and sat naked between a stack of beans and a homemade loaf of bread. "Come here," she demanded. She pointed to the floor, and I dropped to my knees. She grabbed the back of my head and slammed my face into her mound of moisture. I pushed myself away to free my tongue.

Dragging my lips across the soft petals of her pussy, I sucked her luscious little nub to its full size while wedging a finger inside her furry prize. She dismounted the counter and turned her ass toward me. She bent over and, as the smell of Thanksgiving filled the tiny room, I slid my nose along the clenched hole of her anus. She smelled fresh, and her pussy bristled with its own special gravy.

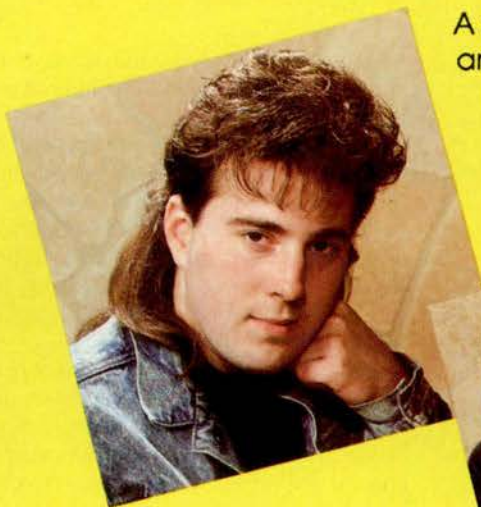

I stood and tossed my clothes to the

floor, ripping three buttons off my Polo shirt. One hand reached underneath to cup her breast, while the other still held the turkey baster. For some reason I couldn't let it go. I nestled the tip of my cock against the opening of her deep hole. It rested there for a moment before she drew me within like a magnet. My cock tingled with ecstasy and, as steam rose from a variety of pots and pans around us, I quickened the pace. With each inward thrust her anus clenched and relaxed. I couldn't resist placing the tip of the baster against the puckering eye and wedging the plastic shaft just inside. I gripped the rubber knob of the tool, and pumped brown juice inside the tiny hole only to be pooped out in the backthrust of my cock's calisthenics.

I guess the turkey grease was slightly

HOT LETTERS

She spread her ass cheeks wide and, with a strained look on her face, squeezed the remaining drops of basting liquid from her shitter.

hot, because she banged her head against the sink faucet and flung her hips instantly forward, freeing my dick from her pussy's firm grasp. She walked to the stove, bent her legs and crouched over the floor. She spread her ass cheeks wide and, with a strained look on her face, squeezed the remaining drops of basting liquid from her shitter.

"Get on the counter!" she demanded. I thought maybe I had spoiled our moment with my extemporaneous basting. She slapped my cock with an open hand and punished the tip with a raw green bean. The sting was glorious, and the discipline was about to make me explode. She flung the vegetable aside and threw her head upon my shaft. Still holding the turkey tool, I squeezed more juice onto the top of my prong so that it could slop and splash against her face. I wanted my cock cream to join the giblet liquid on her chin, but just as the first spurts of semen escaped, she turned the shaft sharply to the right. The spunk blasts splattered against the breast of the turkey and trickled majestically down each side. Fuck Wolfgang Puck! I was the new master chef!

"I can't believe you did that!" I laughed, catching my breath.

"I had to finish the job you started," she smiled, banging my paralyzed prick against the butt of the bird. The meat was very hot; so I instinctively pulled away.

It was much too late to get another turkey; we laughed at our little secret and stuck the bird back in the oven.

Dinner was a half hour late that evening, but no one seemed to mind. In fact, everyone complimented my wife and me on the succulence of the turkey meat and crispness of the skin. "Irene, what's your secret?" my mom asked.

Without missing a beat, Irene replied, "It's all in how you hold the baster." I practically choked on a mouthful of stuffing, and smiled a silent thanks for the beauty of my lovely wife. Happy Thanksgiving, HUSTLER. —P.R.

Hartford, Connecticut

The first thing I did when I was released was take a taxi to the Saddle Horn Saloon. Man, there was nothing like the taste of that first beer, but the alcohol made me hornier than a heifer in a milk factory. I had no money to pay for sex so, after about five drafts, I worked up the nerve to go see my old girlfriend, Wendy, even though we had broken up long before I was ever arrested. I was hoping for a mercy fuck.

The light on her porch was out; so I figured she was gone. Hell, maybe she'd even moved. Then, between sips of a 40-ouncer, I heard moaning from the back of the house. I snuck over the wooden gate and knelt beneath her open bedroom window. The light was off, and refreshing sweeps of cool air brushed aside the lacy curtains. In the moonlight I saw Wendy's silhouette. She was naked and bouncing on some dude's dick. I could even see his hands gliding her pear-shaped hips up and down his lucky stiff.

Just my cottonpickin' luck: Someone else was fucking the only woman I knew in town. My balls were blue with envy. She pulled her large tits up until her tongue could dampen the rich, red nipples

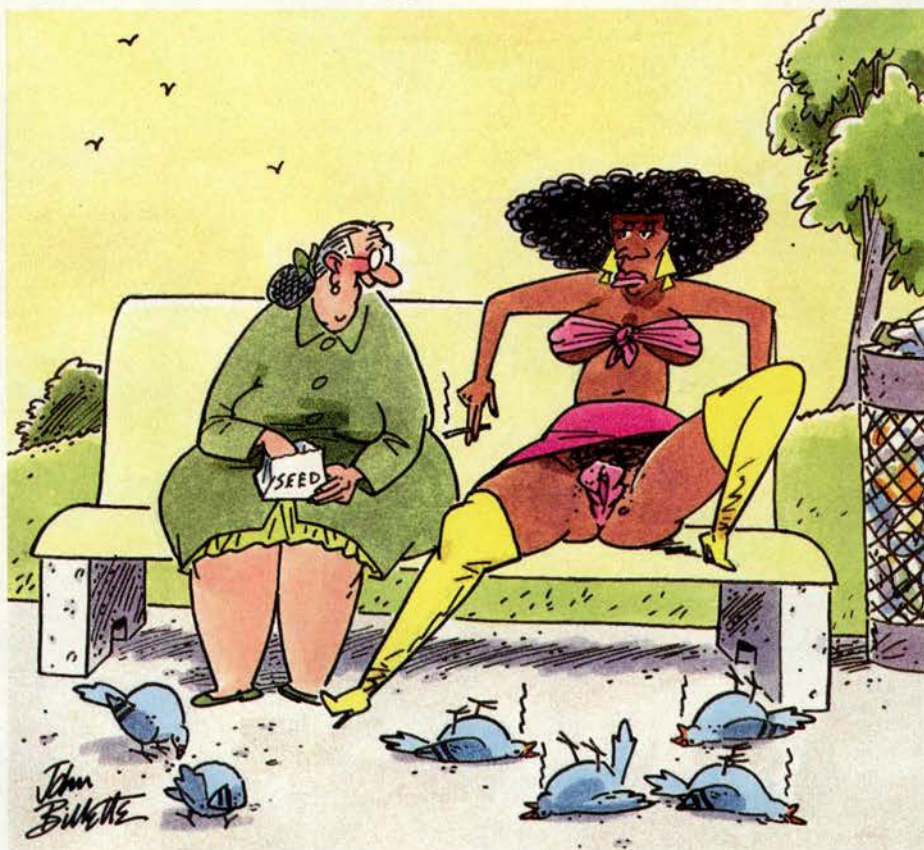

that I'd sucked so many nights before. As her pogo fucking increased its speed, those tits started flopping like a bull bucking an unwanted rider.

Not even the Pope himself could endure a scene like this. I took out my dick and started pumping that frustrated little devil right underneath her window. Wendy jumped off the guy's prick and knelt on the bed's edge in a doggy position. I stared at the ass I had once known so well. She had obviously lost some weight, as that plump little sucker was as perfect as the full moon that lighted me from above. Her ass wiggled a little—a tell-tale sign that a woman's ready for fucking—and Hoss walked over to do just that when, for one split second, his face turned my way.

I ducked, scraping the head of my cock against the aluminum siding. My heart fluttered at the thought of being caught; so I waited several moments and then eased back to my feet. Just as my head hit window level, a deep voice said, "Can I help you, partner?" I was fucking nailed!

I called out to Wendy, but this dickhead was on me like a wildcat in heat. Even though my pants were bunched around my ankles, I defended myself pretty well. It was actually a pretty weird fight, as both our cocks were flapping like weeping willows in a storm. At one point he missed with a punch, and his cock slapped against

(continued on page 35)

"Would you mind closing your legs, dear? You're killing the birdies."

THE EYES OF CONVICTS ARE UPON YOU

I was recently paroled from jail after serving two years on a burglary charge. I wanted to thank HUSTLER for helping me get through the sentence. The hardest part, literally, was the horniness, and masturbation quickly becomes as frustrating as cowchips in your spurs.

mine. That *really* pissed me off!

I finally got a leg free and started thumping the shit out of this dude. Believe me, two years behind bars makes a man more than a little uptight. In reality, I wasn't just beating up some naked stranger, but the warden, the guards and every man from the pen who ever tried to stick his scabby dick up my ass. Wendy was trying to stop my onslaught, but the fight finally ended when he fell to the ground and cracked his head against a sprinkler nozzle.

"Franklin," she said, surprised. I hated it when she called me that; it made me sound like a homo.

"I'm out," I smiled, and gave her a bear hug. How quickly she forgot Brutus, lying half-dead on the grass. She kissed my cheek and tasted blood. "Let me get a bandage," she offered.

"That's all right," I grinned, still holding her around her waist. "What I need is a little company."

"I bet what you need is a blowjob," she laughed. She was very frank and always cut right through the bullshit. "It's the least I can do."

No fucking way I could believe my luck. But sure as God made little green apples, Wendy dropped to her knees, and started sucking my cock like a plumber unclogging a drain. Her lips surrounded the tip of my manhood and pressed together until I could feel the delicate head folding within her lips' viselike grip. She tugged on my large ball sack and licked the underbelly of my beast from head to base.

I asked if I could feel her tits, and she smothered my dick within her chest pillows. I swiveled my hips up and down, gliding my shaft between those beautiful chunks of tit flesh. She held onto my butt to keep from falling and at one point spread my cheeks apart to stick a finger in my crack. Two years of prison life makes a guy kinda edgy about his ass; so I jumped back.

"Come fast," she said. "He'll wake up."

I moved back to her face and set my cock inside her mouth. Sperm didn't just mosey, but stampeded through my rod. She bobbed her head quickly, sloshing and sucking so loudly people could've probably whacked clear across the Tex-Arkana border. It was beautiful!

A shiver shot through my spine, and I started to blow. The first wave crashed against the back of her throat, then the second and the third. Never had so much sperm passed through my shaft, and it didn't seem to be letting up. Wendy was trying to be a trooper and take the full load,

but after a good minute, the sperm began leaking out the side of her mouth. I knew she never swallowed, but she was always classy enough to wait for a man to finish his business before she hawked the chum. But I was coming just too damn much.

She pulled her face away, turned her head to the left and spewed the chunky cheese from her mouth. My bionic cock continued to unload into her hair and off her tits. I was in total ecstasy until I noticed the direction in which she spat. The salivary semen seemed suspended in mid-air as it headed—practically in slow motion—straight for Romeo's dormant head. My eyes bulged as the whole load splattered against his face and coated his closed eyelids.

I was scared shitless as he started to stir. "Quick," Wendy whispered, "get the fuck out of here!" Fortunately for me, when he tried to open his peepers the salty jizz dripped onto his eyeballs, blinding him long enough for me to escape down the street.

Now, if I know Wendy, she explained her way out of it. But whatever the case, I got the get-out-of-jail gift of a lifetime. It was almost worth getting busted again.... Nah!

Fear and hypocrisy have repressed sexual awareness, leading to the ignorance that spreads disease and creates violence, in addition to hindering our natural enjoyment of sex. This series opens the door to current sexual knowledge and expression, and improved love-making.

POPPIN' CHERRY DO IT RIGHT THE FIRST TIME

by Terry S. Austin, M. D.

When 28-year-old architect's assistant Percy from Philadelphia, Pennsylvania, met 20-year-old Mary Rita, he was struck by three things: her wholesomeness, shyness and beauty. A research librarian at the community college, Mary Rita was a far cry from the textbook example of a spinsterish bibliophile. Soft, brown hair tumbled down her neck and shoulders in thick, loose curls; her legs, smooth and white as burnished ivory, rose from dainty ankles to the thigh-pinching shorts she was accustomed to wearing. Crowning shapely hips and a flat, little belly was a perfectly sculpted bosom whose brain-scrambling jigging made searching for the familiar volumes of *Architectural Digest* next to impossible.

She blossomed in conversation. Preliminary dating uncovered mutual interests at a level skirting the profound. They grew affectionate, then intimate, but their physical relationship never went beyond heavy petting. Though outgoing and gregarious in his company, Mary Rita became strangely shy at the prospect of spending the night with Percy, blushing charmingly at his pleading, professing her love while declining every invitation. She appeased him nightly with expert blowjobs, a skill for which she had an almost supernatural facility.

Finally there came the moment of truth. One night Mary Rita found herself naked and willing in Percy's custom-made waterbed. Although the tragedy of what followed cannot be undone, and there can be no reconciling the fact that Mary Rita will forever

after regard unwitting Percy as her sworn, mortal enemy, one can take steps to avoid a similar episode in one's own sexual experience—namely, the unforgettable sight of a screaming, bleeding virgin charging out of one's bedroom, swearing not only never to return but also to avenge the evil wrong by every means at her disposal.

Not everyone is able to locate and successfully romance a virgin in today's sex-saturated mating arena, but for the lucky few comes a duty more daunting than the hunt itself—the proper deflowerment of a mature female who has never experienced sexual intercourse. The word *deflower* means, quite simply, to make a woman no longer a virgin; but it has a second, cautionary definition—to ravage or spoil. The difference between the two is the difference between failure and success, hate and love, Goofus and Gallant. Medical dictionaries list *defloration* as the act of rupturing the hymen either in sexual intercourse or in vaginal examination. Physicians should never be guilty of the latter, whereas laymen are nearly always guilty of the former. To help ease the tight spot all virgin-busters find themselves in, circumspect

Casanovas should take a tip from Hippocrates.

There's no established scenario for the act of making a woman no longer a virgin, but some basic, physiological rules apply. The most important word, in both medical and general senses, is *proper*. Time, environment, consideration, communication, lubrication, initial penetration and postcoital bonding are the seven phases of proper deflowerment.

The ideal setting for a woman to lose her virginity is on her honeymoon, an instance in which the stage for this momentous turning point has been thoroughly prepared, both partners having fully anticipated it. Since the great majority of females lose their virginity before marriage, the point must be made that it is essential for the proper deflowerment of a virgin that the circumstances surrounding the act should be planned in advance. The physical setting should be private and comfortable, the emotional setting filled with tenderness, and both made available well before the act takes place.

With or without a sexual novice beneath him, the powerful passions of the sex urge may drive a man to the point where he feels he must complete the sex act immediately. This is the crucial time to stop and think. Is the uninitiated woman physically as well as mentally

ready to proceed? Is she mid-menstrual, inviting pregnancy? Are condoms available?

Physiologically, the most complicated part of any act of intercourse is the elaborate series of responses involved in the process of instigating it. First and foremost, the virgin must be relaxed. The lucky man to be granted first use of her body should take plenty of time reassuring and fondling her. Foreplay should be slow and gentle. Stroke her arms and back. The *ilioinguinal* and *iliohypogastric* nerves that supply the genitalia originate here. Kiss her ears and neck and breasts and nipples. She'll communicate the location and manner of approach she likes best by bodily response if not by word.

Gradually include the genitals in the foreplay. Start with the clitoris, which has the same nerve endings as the head of the penis. A woman may achieve orgasm with proper manipulation of this sensitive organ. Then explore the hymenal ring, located just within the vaginal vestibule. The opening in this barrier will usually admit a fingertip, though sometimes the circular sheath has been divided by trauma or athletics. The vaginal orifice is encompassed by the most elastic muscles in the body, the *bulbo-*

cavernosus, *ischiocavernosus*, *pubococcygeus* and the *levator ani* muscles.

The opening of the vagina is, in the virgin, only one to two centimeters, less than one inch. And the depth is only about ten centimeters, roughly four inches. Lubrication is now in order. Bartholin glands and Skene glands surround the *introitus* to produce a natural lubricant for the sex act. Virginal production is often too scant, and a supplement is needed. Water-based lubricants are recommended (oil-based lubricants deteriorate latex condoms). Apply a dab to the still-intact hymen membrane and slowly, gradually, gently insert an index finger. The thumb may stimulate the clitoris during this intromission. With a rotary motion, stretch and enlarge the hymenal ring and vagina. Take your time with this precious symbol of undefiled femininity. When maximum dilation is achieved, the virgin is ready for penile insertion.

The erect penis averages six inches in length and over an inch in diameter, and must fit into a cavity of half those dimensions. The hymenal opening will not accommodate the penis, and this fragile membrane is most often lacerated through over-stretching, sometimes with bleeding. The muscles surrounding the vaginal *introitus* are snugly tight, but extremely elastic. Bedding should be prepared in advance of the sex act to accommodate hymenal bleeding. Some virgins bleed very little; others bleed a great deal. A disposable cotton sheet ought to be

sufficient (and will come in handy if the couple wishes to proclaim the successful defloration by exhibiting the reddened cloth outdoors, as was customary a few generations ago).

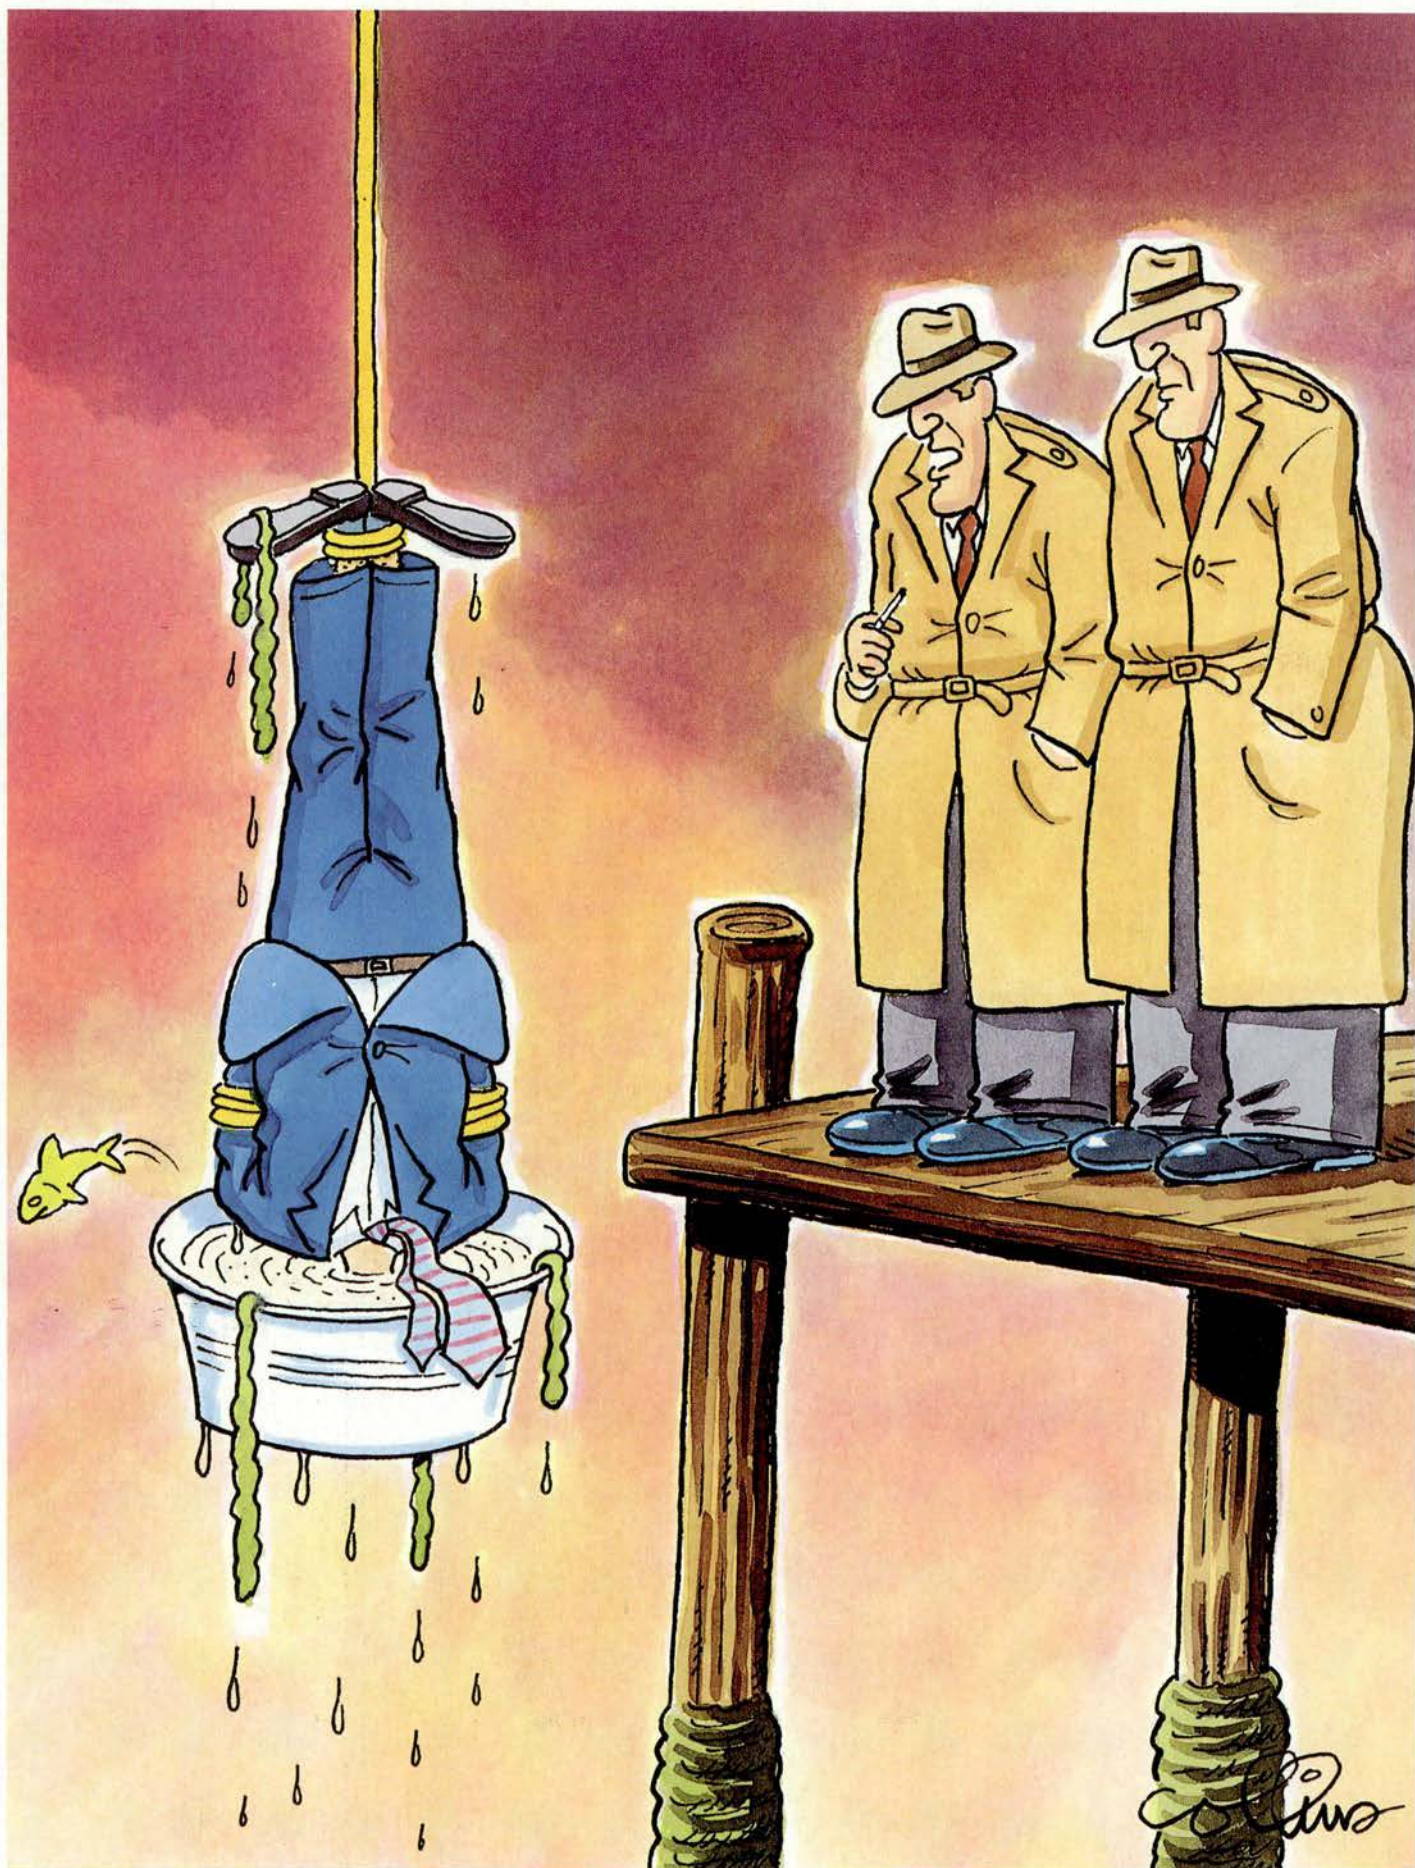

Communication is vital at this time, as is the application of more lubricant. Insertion should be millimeter by millimeter, and the virgin should be questioned about discomfort. She will experience what has been described as a throbbing ache. When it becomes too intense, she should advise her man to discontinue penetration—not withdraw, just stop and wait for the spasmodic vaginal contractions to cease before proceeding further. The vaginal muscles, like those of the pelvic floor, are very elastic and will eventually stretch to accommodate both the length and breadth of the penis. Several intermissions may be necessary before total insertion is possible. Utilize the basic elements of time, consideration and lubrication freely.

Efforts should be made to avoid a too-deep thrust at the time of male orgasm. Later, the deflowered virgin may enjoy deep thrusting, but probably not at this initial coupling. Not uncommonly, the female will not experience orgasm until she has had several copulations. In each of these contacts, her man should learn what stimulates her most and direct his attention to her wants and particular anatomy.

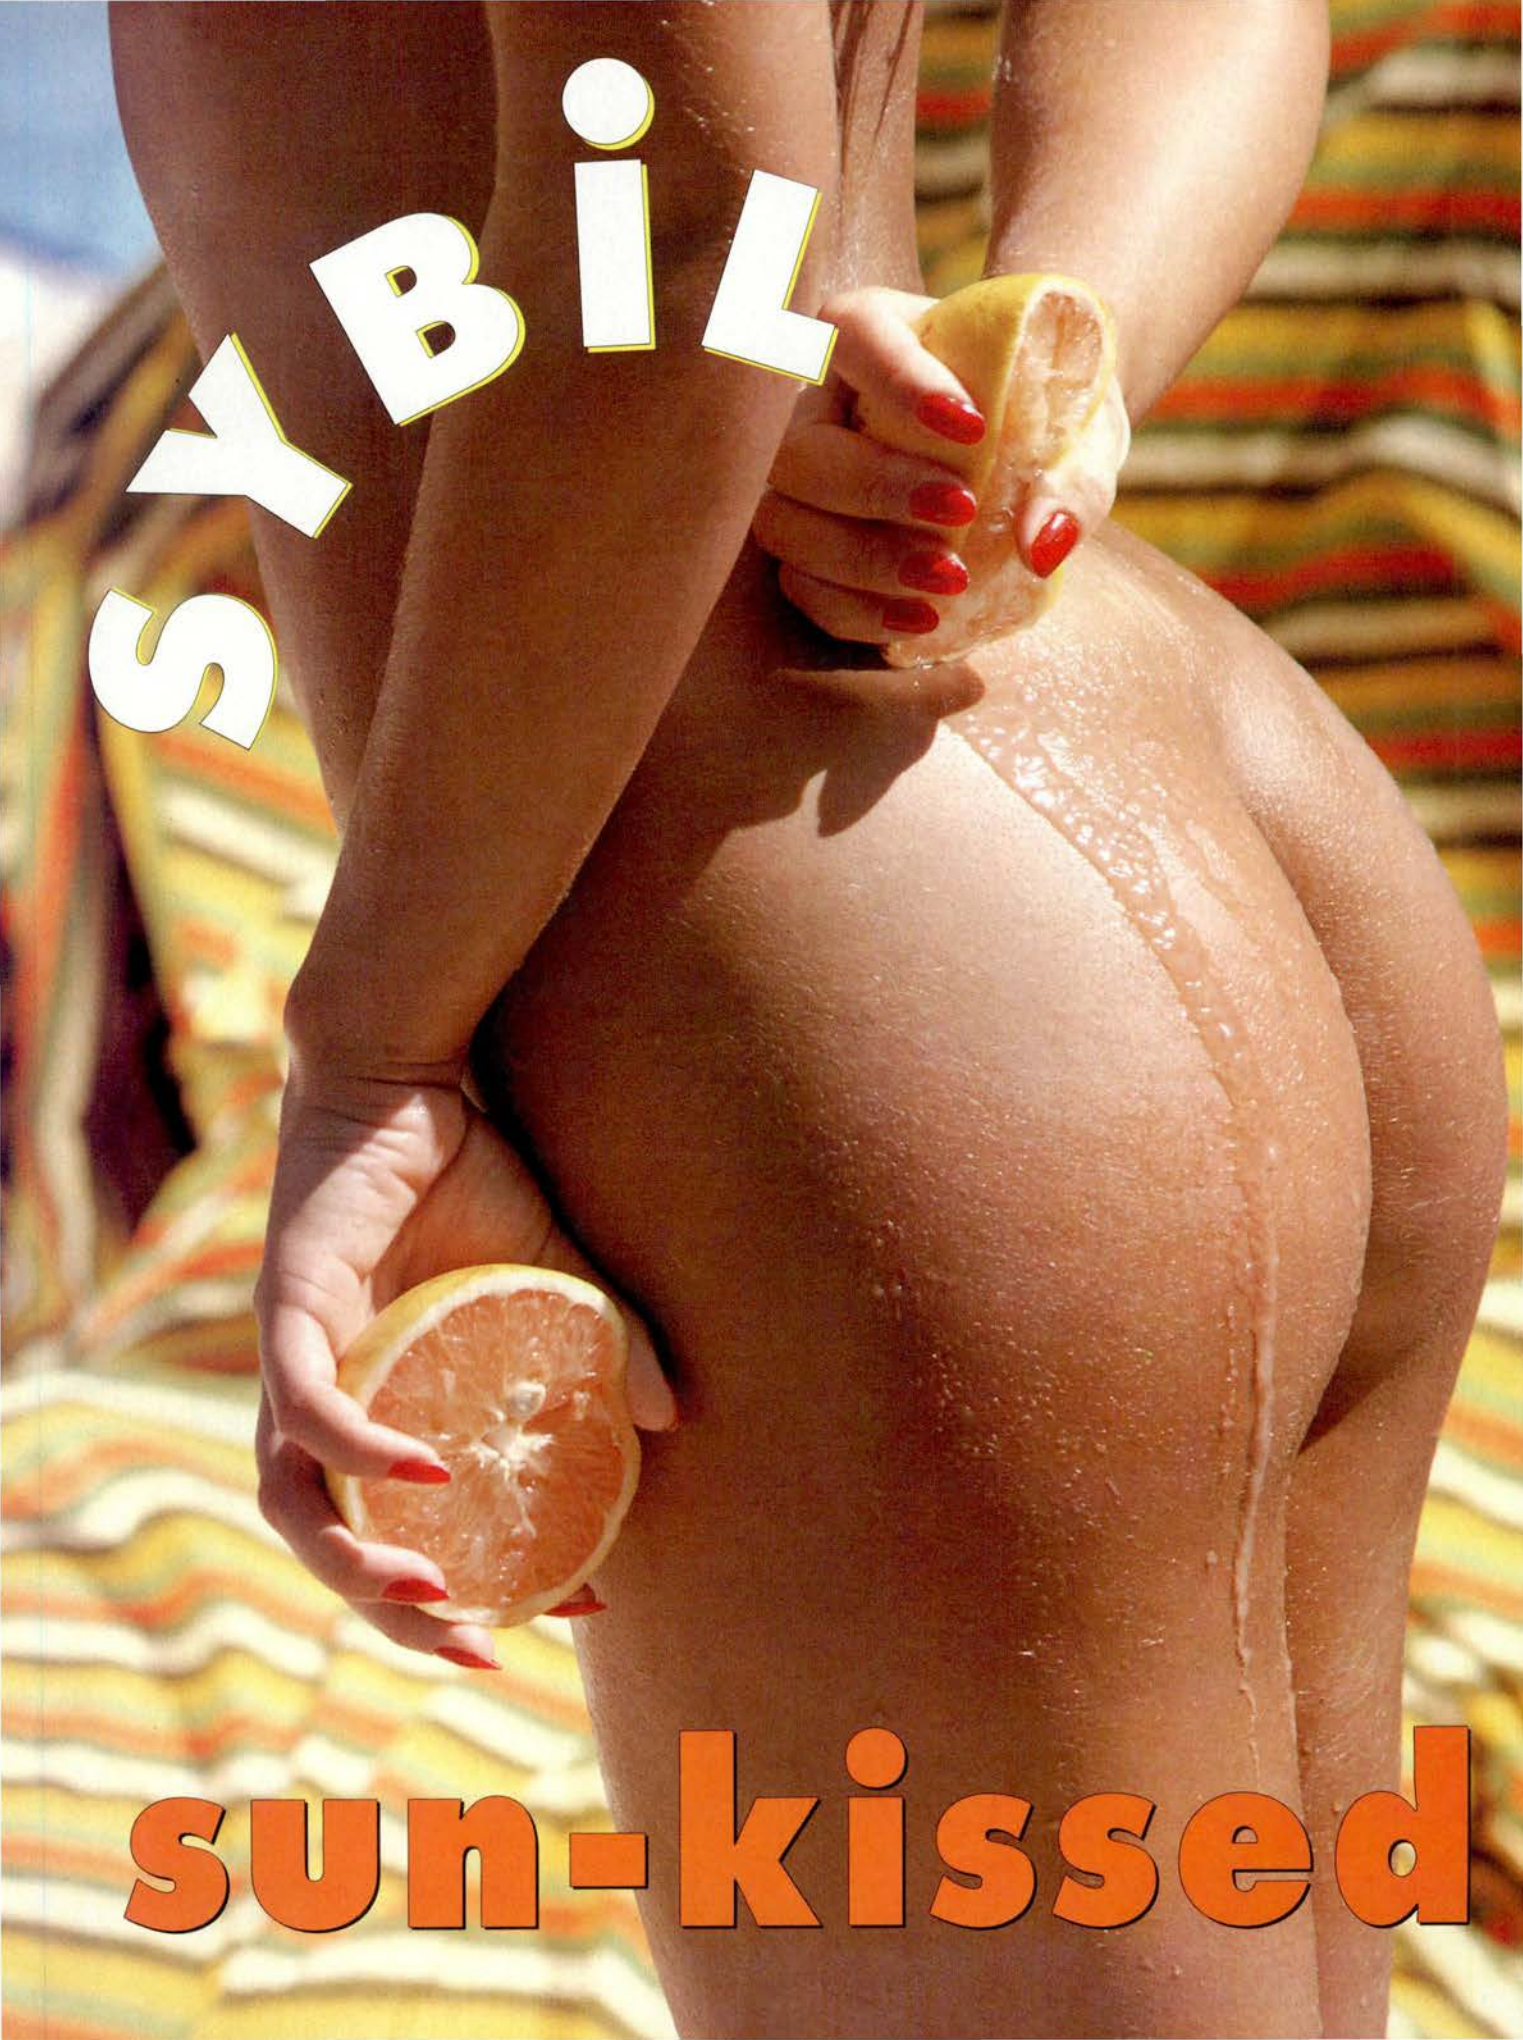

The post-coital phase is that period following orgasm and uncoupling, a time when the couple has become emotionally, psychologically, physically and sexually united as one. It is characterized by *bradycardia*, slowness of the heartbeat and pulse to less than 60 beats per minute; *hypopnea*, an abnormal decrease in depth and rate of respiratory movements; *hypopraxia*, diminished over-all bodily activity; and *somnolence*, the quality of sleepiness. From this state, not unlike suspended animation, there is a slow return to full consciousness and activity, often associated with an intense though transient return of the sex desire by either or both partners. Many couples unwittingly ignore or deny this phase, returning to sleep or other activity immediately upon orgasmic satiation. To do so is to forgo one of the most pleasurable features of sexual intercourse.

There is no one method for the proper deflowerment of a virgin, but her partner cannot be considerate of her likes and dislikes unless he knows what she wants and doesn't want to do. Understanding is important during all stages of the act of deflowerment. Although physical responses reveal a lot, there is no substitute for verbal communication. Loving words, patience and a gentle touch will bring the answers any man needs to properly accept a woman's sacred gift of her virginity, and present his gift in return—an awareness of complete sexuality. Both have got a single chance to get it right. 🍌

"Looks like another hit by the Polish Mafia...."

A close-up photograph of a woman's back and buttocks. She has a large, realistic tattoo of a citrus slice (like an orange or grapefruit) on her left buttock. She is holding a real citrus slice in her right hand, which has red-painted nails. The background is a colorful, striped beach towel. The text 'SYBIL' is overlaid in the top left corner.

Luscious,

University of Pennsylvania sophomore Sybil has been stranded in Rio de Janeiro, Brazil, since July. There's a mix-up with her passport, her plane reservations, or... "To tell the truth," she interrupts, "I can leave anytime I want—I just don't want! If my folks saw I've got no tan line, they'd kill me!" She frowns. "Besides—do you know how cold Philadelphia is this time of year?"

BAG WHORES

"Bag whores' noses and veins are just like their cunts—black holes that keep coming back for more until you're all used up."

Feet up behind her head, she's sopping wet with sweat and vag spew as he chafes her fat tits with chin stubble, slapping his prick in her stew. When he pulls out to roll her over, she scrambles to get his cock in her mouth, but he pushes her hungry face into the pillows, grabs two slick handfuls of ass and does her doggy-style. She wiggles her cunt like a blind man whose cane has slipped out of reach as he raises his sights a few inches, poised for slopping her bung-hole with her own gushing flow.

She fights it when he nudges against her crinkly, tight rosebud. "I ain't never..." she manages to gasp. He grabs the inhaler off the bedside table and reaches around to dust her nose with white. She opens up like an automatic garage door. Yelling and crying as he butt-rams her into the headboard, she's also reaching back with both hands to grab his ass and jerk him in. She'd do the same thing for any guy with a bagful of dope. Drugs are better than money, when it comes to buying bag whores.

Coke sluts, toot groupies, or tweak freaks by any other name would smell as cheap. The generic term is *bag whores*—women

willing to fuck anyone that can come up with a bag of their drug of choice.

Lonnie Scaini is a leading authority on the chemically carnal. He's a former dope dealer who saved himself 30 years of free State room and board on a technicality, earning a solemn promise from a major DEA honcho that if he was caught so much as ordering a classic Coke he'd see a War on Drugs with his name on it coming down on his ass.

"I'd be full of shit if I didn't say I miss the lifestyle," he admits, knocking back tequila and eyeing the action in a West Coast dope dive. "I could fly to New York to catch a ball game, hop down to Acapulco for lunch, see a nice car in a magazine, buy it cash. But what I miss most is free pussy. Nothing beat knowing I could get it anytime, without a word, just by having the right bag in my pocket. I'd just have to look at a chick and nod, and she'd be on my arm. No wasted motion and mind-messing, you know? Let's say I want to fuck that twat over there. What am I going to do, offer her money? That ain't gonna get it. Besides, what would it cost me? Couple hundred for a quickie? I could dangle some blow in her face and be jizzing on her tonsils all night for maybe 50, 60 bucks tops."

There's a guy sitting at a table against the back wall, surrounded by a flow of well-wishers, most of them foxy and female. "That guy over there was doing a hell of a lot better dealing crack out of a house downtown. Now he's into plain old cocaine, making a lot less. You know why? Because he gets to diddle a better-class clientele." Lonnie scowls and shakes his head, disapproving of such unprofessional behavior. "He's getting strung out on glossy, uptown pussy. He's gonna be the only coke dealer in California losing money. You could own Peru and have a lease on Colombia, and those sluts could do you dry. Broads get hooked a lot heavier than men, you know. Bag whores' noses and veins are just like their cunts—black holes that keep coming back for more until you're all used up, and then they move on to the next guy. Take that blonde with the big melons over here. See if she denies being a bag whore if I say there's a sixteenth-ounce in it for her to talk."

He motions to a six-footer all in black, with big, strong knockers and a wide-track ass. Her name is Trish. She gives Lonnie a funny look, half insulted, half willing to please. "Call me whatever you want if it makes you feel better," she says, deciding to smile. "I like toot, and I like sex, and I really like sex on toot. If somebody else wants to pay for it, why should I? Do you call a chick a booze whore if somebody buys her a drink and fucks her later? There's drugs around. There's sex. What the hell do you want?"

Lonnie puts his spin on her story. "From here it looks like you won't do it for cash, but will do it for dope. Another reason dope beats money—for whoever's wanting to buy. Young ones keep making the scene, and the longer a girl stays on the take the better the odds she'll drop out on to Narcotics Anonymous or wherever. It's always a buyer's market."

Trish doesn't argue. "I admit it, I'm getting a little old for this," she agrees. "I'm not exactly a novelty act. My cousin is always telling me I should get married while I still have my looks. I tell her, 'Hey, I'm just having fun.' If I gotta put my bod on the line for a free ride with some asshole husband, who's the whore anyway? I still got some rocks to get off, and I'm still an item; so everybody else can just please fuck the hell off."

She tosses off her drink and coldly scans the room. "I'm more strung out on men than drugs," she explains. "I'd call myself a shell of a person, really—totally empty. All that's left now is dope, and the only place to get it is from men. Still, there's something to be said for experience," she smiles. "If you want to go fast, it's better to ride a car that knows the road."

M. K. Nolan is a small-time dealer of coke, crystal and ecstasy ("Just the love drugs, bro") and an experienced bag-whore bagger. He makes a hobby out of spotting the girls among the show-class stuff in gin

"You're right, Doctor. That was a lot better than sticking a finger down my throat!"

"Can the doc get this vote-begging politician outta my ass?"

joints, girls that wouldn't mind having a toot up their snoot and a root up their boot.

"These are the lightweights," M. K. explains, indicating a bevy of big hair and designer fingernails, "the ones that still think they're just having a little fun, not straight-out swapping their fuzz for a buzz." The music is wild, the drinks are stiff, and nobody thinks twice about sniffing mirrors in the johns or hearing somebody getting fucked sideways in the toilet stalls. Party girls spill out onto the beach and the parking lot, spreading their hams in back seats, bent over the seawall or right in the sand—as long as the high-octane punch keeps flowing.

While there's no one best bait for bag whores—it's all a matter of taste—M. K. says crystal amphetamine is surpassing cocaine in popularity. "Check it out—the same money to get you high on coke for a half-hour will keep you high on crystal all day. And what's the difference? Not much, especially for sex. Crank gets you hard as your arm all night and makes the chicks horny. It's the drug of choice for fucking yourself stupid, and the bitches know it. Speed humps, baby. Candy is dandy and likker is quicker, but around here coke is a joke and speed is what you need."

"I've got a kind of sixth sense," says 26-year-old, toot twat Allison, a frequent bargoer who believes a guy with the goods has got no need to strike poses. "I go into a place and pick out the guy I like the looks of and, boom, he's got lots of dope. It's nothing I could explain. I mean, one of the biggest dealers I ever scored with was a classical pianist, and another one drove a potato-chip van. Maybe it's this arrogance they have, like they've got the world by the nuts and are giving it a squeeze. Maybe it's some sort of body odor. But I walk into a place with men, and there's maybe one guy who really looks interesting. So I go over and see if I can get him to make me a pitch. Lots of times he does. I've got pretty nice tits. If we hit it off, boom, there's lots of fucking and lots of coke. A real holiday on ice. It ain't nothing I'm ashamed of."

Allison is no stranger to M. K. "First time I did that bitch," he recalls, "she jumped out on my joint like it was the last one left. She's like rubbing her tits on me and fingering her hole and lipping my nuts all at the same time. By the time I finally got her down and lined out, I had something major going on. I've had tight pussy, jumping pussy, snap-

ping pussy, but that bitch's money-maker was the damn Galloping Gourmet. I blew my load three times, and she wouldn't even let it get limp enough to reload. I powder her nose again, and she drops into fucking, four-wheel drive. Warp drive, more like. Beam in' my ass to the moon. I humped her off the bed and all the way to the bathroom, got rug burns all over my knees and elbows. She ends up hanging over the side of the tub and wanting a spanking. I just turned on the cold shower and split."

He lets drop a few hints for scoring with a bag whore. "You gotta move in a little slow, but don't worry about subtle. Let 'em see you coming out of the shitter wiping your nose, licking your fingers. Buy your first-round choice a drink. If she doesn't start talking dope, lead into it. After that, you either know you're home free, or you cut her free and fish again."

As if to prove his methods work, a luscious little lollipop in skimpy top and low-cut jeans swivels up and leans on the table. The bottoms of her hard tits jut out from her rib cage like grapefruit halves on a plate. She's playing M. K. cool, but you can sense a sort of urgency behind it. This honey could get laid anywhere, and plenty of dope for doing it, but only M. K.'ll give her some to take home. "I'd kill for a buzz right now," she says. M. K. replies, "Never mind kill, how about drill?" She gives him the eye and drawls seductively, "I do get horny when I'm high."

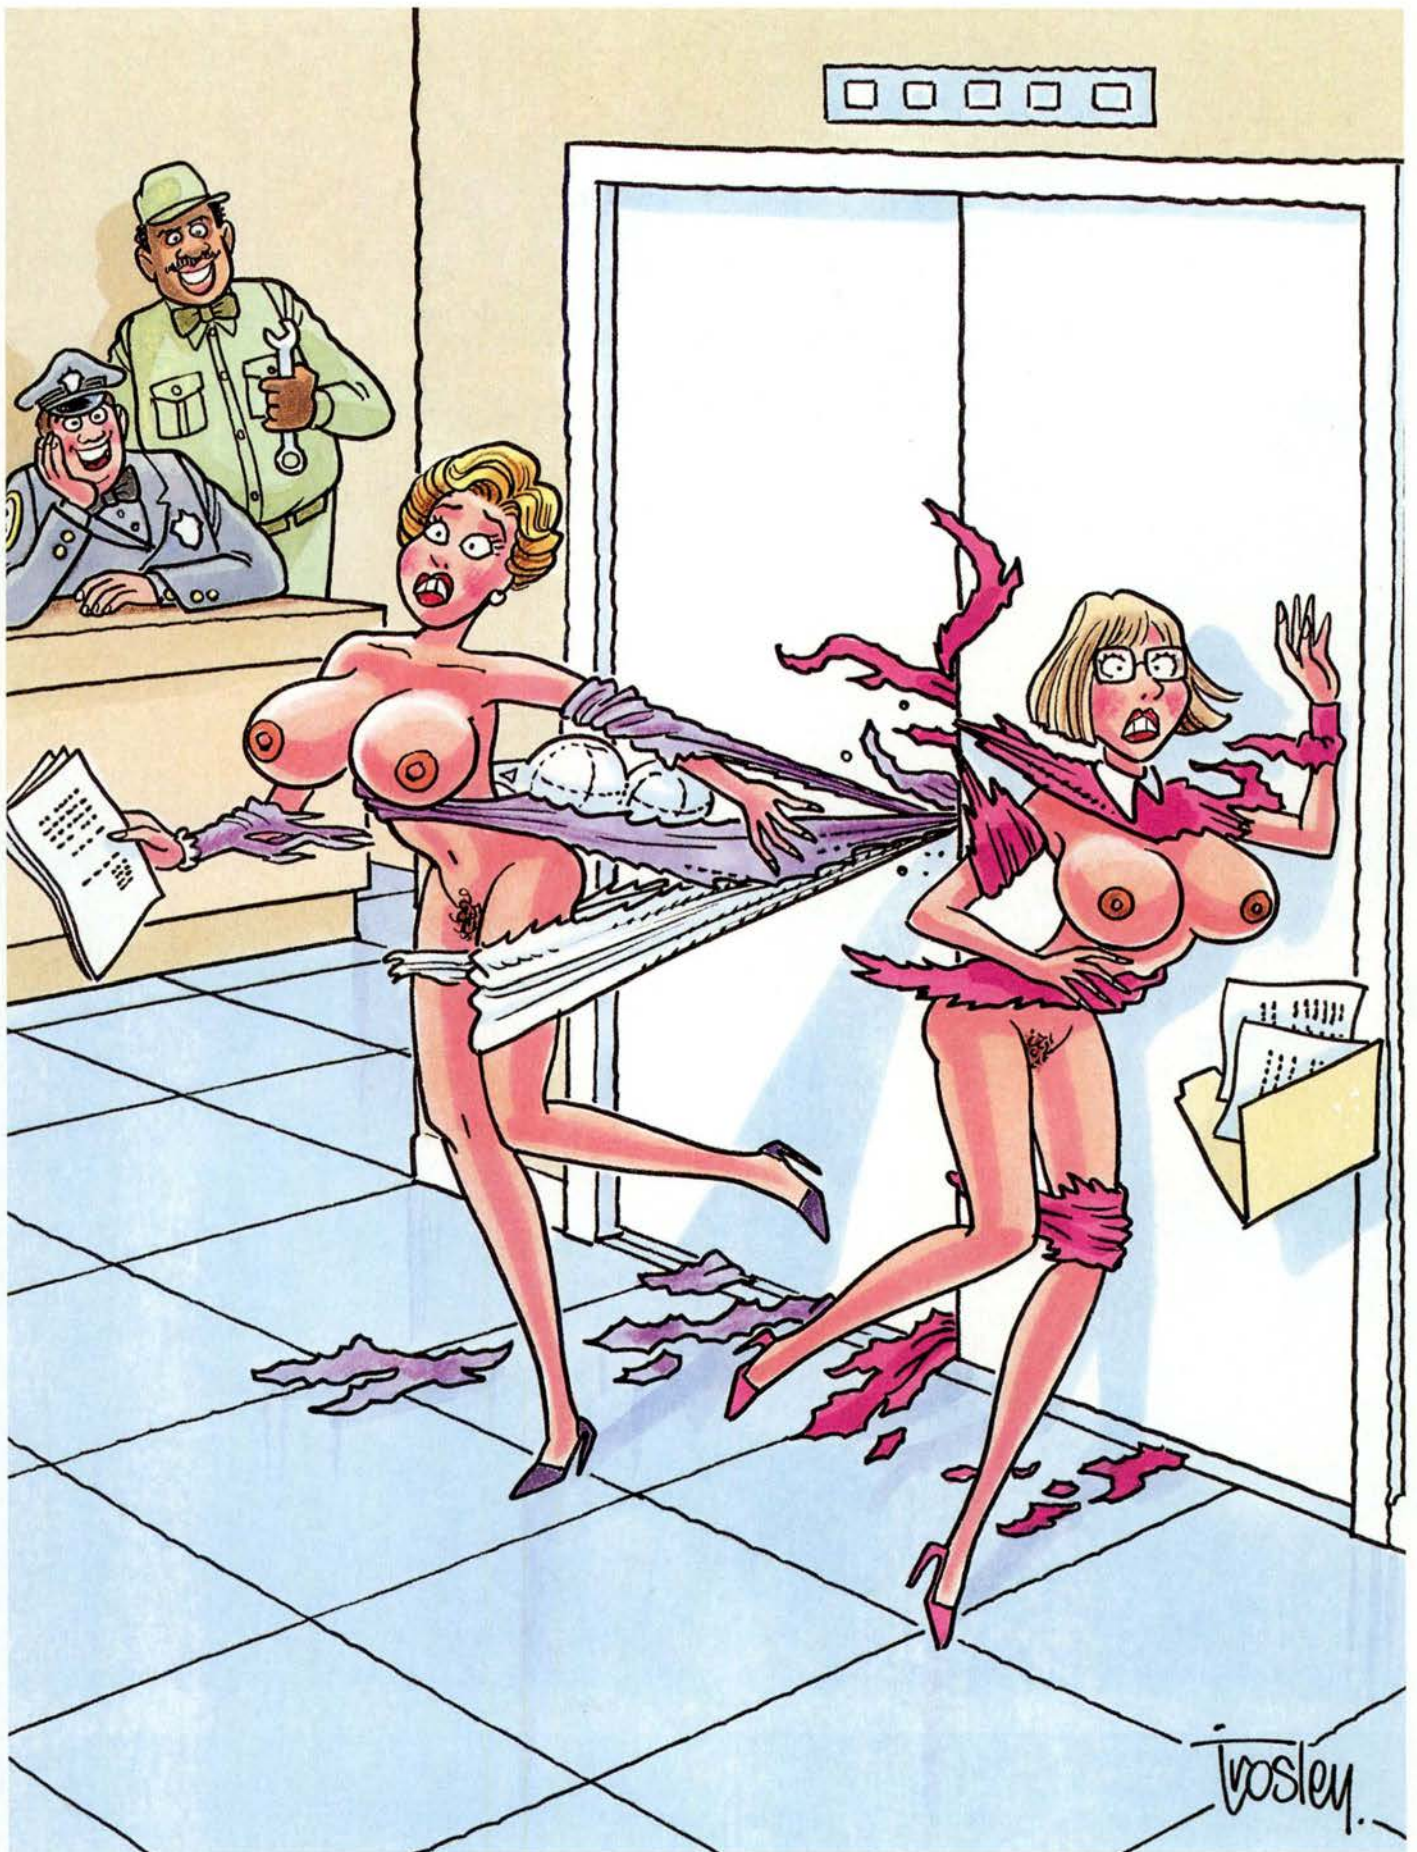

As they hit the door, M. K. slips a hand into the waistband of her jeans, his fingers sliding between her big round cheeks, and waves an eat-your-heart-out goodbye to the bar.

A lot of dope is moving in from Mexico through small towns these days, and where there are bags, there are bag whores. A series of news stories paints a seamy scenario in a major fruit-producing region of Washington, seasonal home of thousands of *braceros*, many of whom have links to the growing Mexican brown-heroin network. Bob Jinner, former staff photographer for a local newspaper in the region's largest urban center, was amazed that people in the midsize old-fashioned city were less concerned about the amount of drug traffic than about *cabin hoppers*.

"Cabin hoppers are what the locals call the young, white bag whores," Miller says. "Most are blond, since that's the most popular flavor. Typically, these girls get interested in Latin lovers, start fucking around and get hooked on heroin. They end up being passed from one migrant-worker cabin to another, getting high off one group of guys until the novelty isn't worth the cost in dope anymore. In this one cabin, I saw two chubby, little blondes, one lying on a grungy table with two guys holding her

legs open and a third guy slinging her some major pork. Her girlfriend was on her knees on a funky mattress with one fruit-picker's dick in her mouth and another whanging into her from behind. It looked like they were having a tug-of-war with her. About nine other guys were sitting around smoking and joking and waiting until they felt like taking a poke. Those were country girls from nice families—you wouldn't have found them turning tricks for money. What riles the local community is not guys selling heroin, but Mexican guys giving it away to fuck young white girls for free."

A veteran San Diego customs officer, who preferred to remain nameless, points out that most of the "mules" bringing drugs into the United States are women. "When attractive young women with good jobs on a cruise ship or airline risk losing everything and going to prison, you know there is more than just money involved," he says. "They're involved with drugs, either working off their debts or staying in good with some boyfriend who keeps them supplied. I find bras stuffed with heroin and even breast implants with the silicon pumped out and drugs pumped in. The girls who use their tits as smuggling containers are surprised to find out cocaine looks different than flesh or regular implants on a fluoroscope. But the classic stash is to pack it in condoms and hide it in the vagina."

Al Skodak is an accountant who once specialized in setting drug dealers up for income-tax-evasion raps. "It took me a while to realize that the best way to find a dealer's assets was to scrutinize the women they're involved with," he states. "Suddenly, all sorts of things start turning up—restaurants, real estate, yachts, race horses, art, safe-deposit boxes, nightclubs—all in the name of their old ladies. One guy in Las Vegas had at least six women on his string, maybe a million bucks in assets stashed with them. Of course, once we take them down, it's a free-for-all, their friends and lovers grabbing whatever shakes loose."

Skodak says that topless- and nude-dancing clubs are a favorite way of hiding capital and laundering cash flow. "Ever wonder who those girls get tucked in by?" he asks. "They're making plenty of money. Hundreds of guys every night want to get into their pants. In many cases they're swapping booty for drugs. We ran into one young lady with a half-dozen Mercedes Benzes who was famous for giving head for cocaine. Clients called her the French Connection. A sure-fire way for a guy to

meet a better-looking class of women is having lots of complimentary coke around. And the only way to have enough to keep them coming is to deal it."

Although bag whores tend to dally in illegal situations, availing oneself of their company is fairly safe, at least from a legal standpoint. One central-California vice sergeant points out that whoring for drugs is, oddly, more legal than whoring for money. "Any vice dick will tell you the same thing," he says. "It's ironic, but it's easier to collar somebody for drugs or for whoring than for breaking two laws at once. You have to have 'agreeing to a price' for prostitution busts and 'possession' for dope busts. These drug groupies don't make the deal in so many words, and it's not easy for anyone to retain possession of dope around those little honeys."

Typically, bag whores start getting high with their boyfriends, move on to the guys who have the good stuff and finally end up with anybody who has a taste. Twenty-five-year-old Susie used to be a total fox; now, she isn't *that* bad-looking. A few drinks get her talking, and a few friendly snorts will get her doing just about anything. Though

she's now barely ten years out of high school, it's been a helluva wild ride.

"You could say I was one of the really pretty party girls in town when I graduated," she admits with a self-mocking frankness. "I got a job as a cocktail waitress, and I partied. Cash every night, a paycheck big enough to pay my rent, shift drinks with the gang, and meeting plenty of new guys seemed a fairly sweet deal. The bar I worked at was the high-wire hangout. I was having trouble keeping up with the late rush until the older girls told me the secret—plenty of cocaine breaks. The shift managers were selling us lines, grams—and waitresses always have ready cash."

"One night the bartender offered to go in with several of us girls on an ounce. We all owed him money because we were hoovering some major blow. Things got worked out, you know. The managers had a captive market and a nice shot of leg now and again, we were energetic and having fun, the customers were getting speedy service—everybody was happy. And it turned out there were always guys around the bar who had stuff and wouldn't mind taking a pretty girl to their place after work. I was screwing guys to get loaded before I really knew what was happening."

Susie isn't exactly bitter about the life she's leading. "A guy could walk through that door this minute," she says, "and offer me a couple of lines, and I'll be having a ball. I can't complain." 

"For five bucks, I'll fuck the hell out of you!"

S&M SCHOOL

If you please her sufficiently with your obedient dog-tricks, she might let you jerk off into a handkerchief covered with the ambrosia of her snot.

The Learning Annex in Southern California is an extension school well off the beaten track. Tucked among self-improvement and personal-growth seminars in its May 1992 catalogue was a class called "Fetishes and Fantasies," taught by whip-goddess Mistress Ava Taurel. Mistress Ava is a dominatrix of international renown whose academic credentials in theater and psychology include lecture gigs at New York University and Rutgers Medical School.

When a registrant pays the class fee of \$29 by telephone, The Annex discreetly reveals the location of Mistress Ava's manual arts class: this time, it's the Ramada Inn in West Los Angeles. HUSTLER readers need go no further than the next few pages as HUSTLER moves to the front of the class to squirm—and learn—at the feet of Mistress Ava.

Outside the entrance to Mistress Ava's seminar chamber, Learning Annex greeters screen attendees with the official Fetishes and Fantasies registration list, making sure all who have enrolled read a sign warning that an adult cable station is videotaping the event. Considering the pathological shyness

of the average submissive and the ritual secrecy of the B&D scene, the intrusion of TV cameras and halogen glare is like having parents at a junior-high necking bash.

The collective fashion among the pupils in Mistress Ava's S&M classroom is nothing out of the ordinary. The women appear uniformly natural, with no invasive tit-silicone or face-stretching in sight. Guys wear sports coats and polyester. Awkward chit-chat punctuates long silences until finally—direct from New York City, Sodom-on-the-Hudson, the Black Gotham of the East—notorious dominatrix Mistress Ava Taurel appears from the side of a makeshift stage. Dressed in a modest jacket over a swooping, black blouse disclosing the magnificent crags of two Grand Tetons, content to reveal initially the relatively humdrum authority of a stocky, middle-aged woman with enormous tits, a Norwegian accent, dangling hoop earrings and a conspicuous run in the fishnet hose encasing her ample thighs, Ava resembles a kindly professor more than a supreme, erotic being commanding worship and total obedience.

With businesslike forthrightness, Professor Ava quickly recites the foremost types of

participant B&D personalities: *dominant/active*—partners who take complete charge and utilize whips, chains, occlusion masks and other implements of torture; *dominant/passive*—those who sit like pashas while the slave carries out their every whim; *submissive*—devoted to servicing the master or mistress; and *fetishists*—guys or gals who get off on something specific, such as the smell of latex or the cut and shine of a black-leather, stiletto-heeled, fuck-me pump.

Professional dominatrices are not whores. Eroticism and absolute power are the domain of the Mistress. A slave might uncontrollably fire off a load in the pure ecstasy of total humiliation, from the scent of a glove, the sight of his Mistress's panties, or the clean snap of the whip on his miserable butt, but he'll probably have to lick the cum up and beg her forgiveness. Of course, if you're doing a private S&M scene with a non-commercial dom and please her sufficiently with your obedient-dog tricks, she might let you jerk off into a handkerchief covered with the ambrosia of her snot, mixing the curdled, festering ooze of your worthless sperm bubble with the nectar of her sinus secretions. If you've been especially good, she may let you eat it.

Mistress Ava moves on to outline briefly a number of safe-sex tips unique to B&D livelihood. For instance, persons with partners wearing gas masks in suffocation/regression games ought to check for trauma and heat problems now and then before continuing. A beloved turning blue is not always apparent when he or she is sealed within a gas mask.

Foot fetishists should, or should not, get a thorough scrubbing and pedicure before unveiling their ten little piggies, according to their partner's preference.

When tying someone up, make sure the knots are tight but comfortable. Never cut off circulation.

And—a point that brings guffaws from the class—when using a cane, make sure the supplicant's buttocks crack is entirely clean, to avoid shit smears on the equipment.

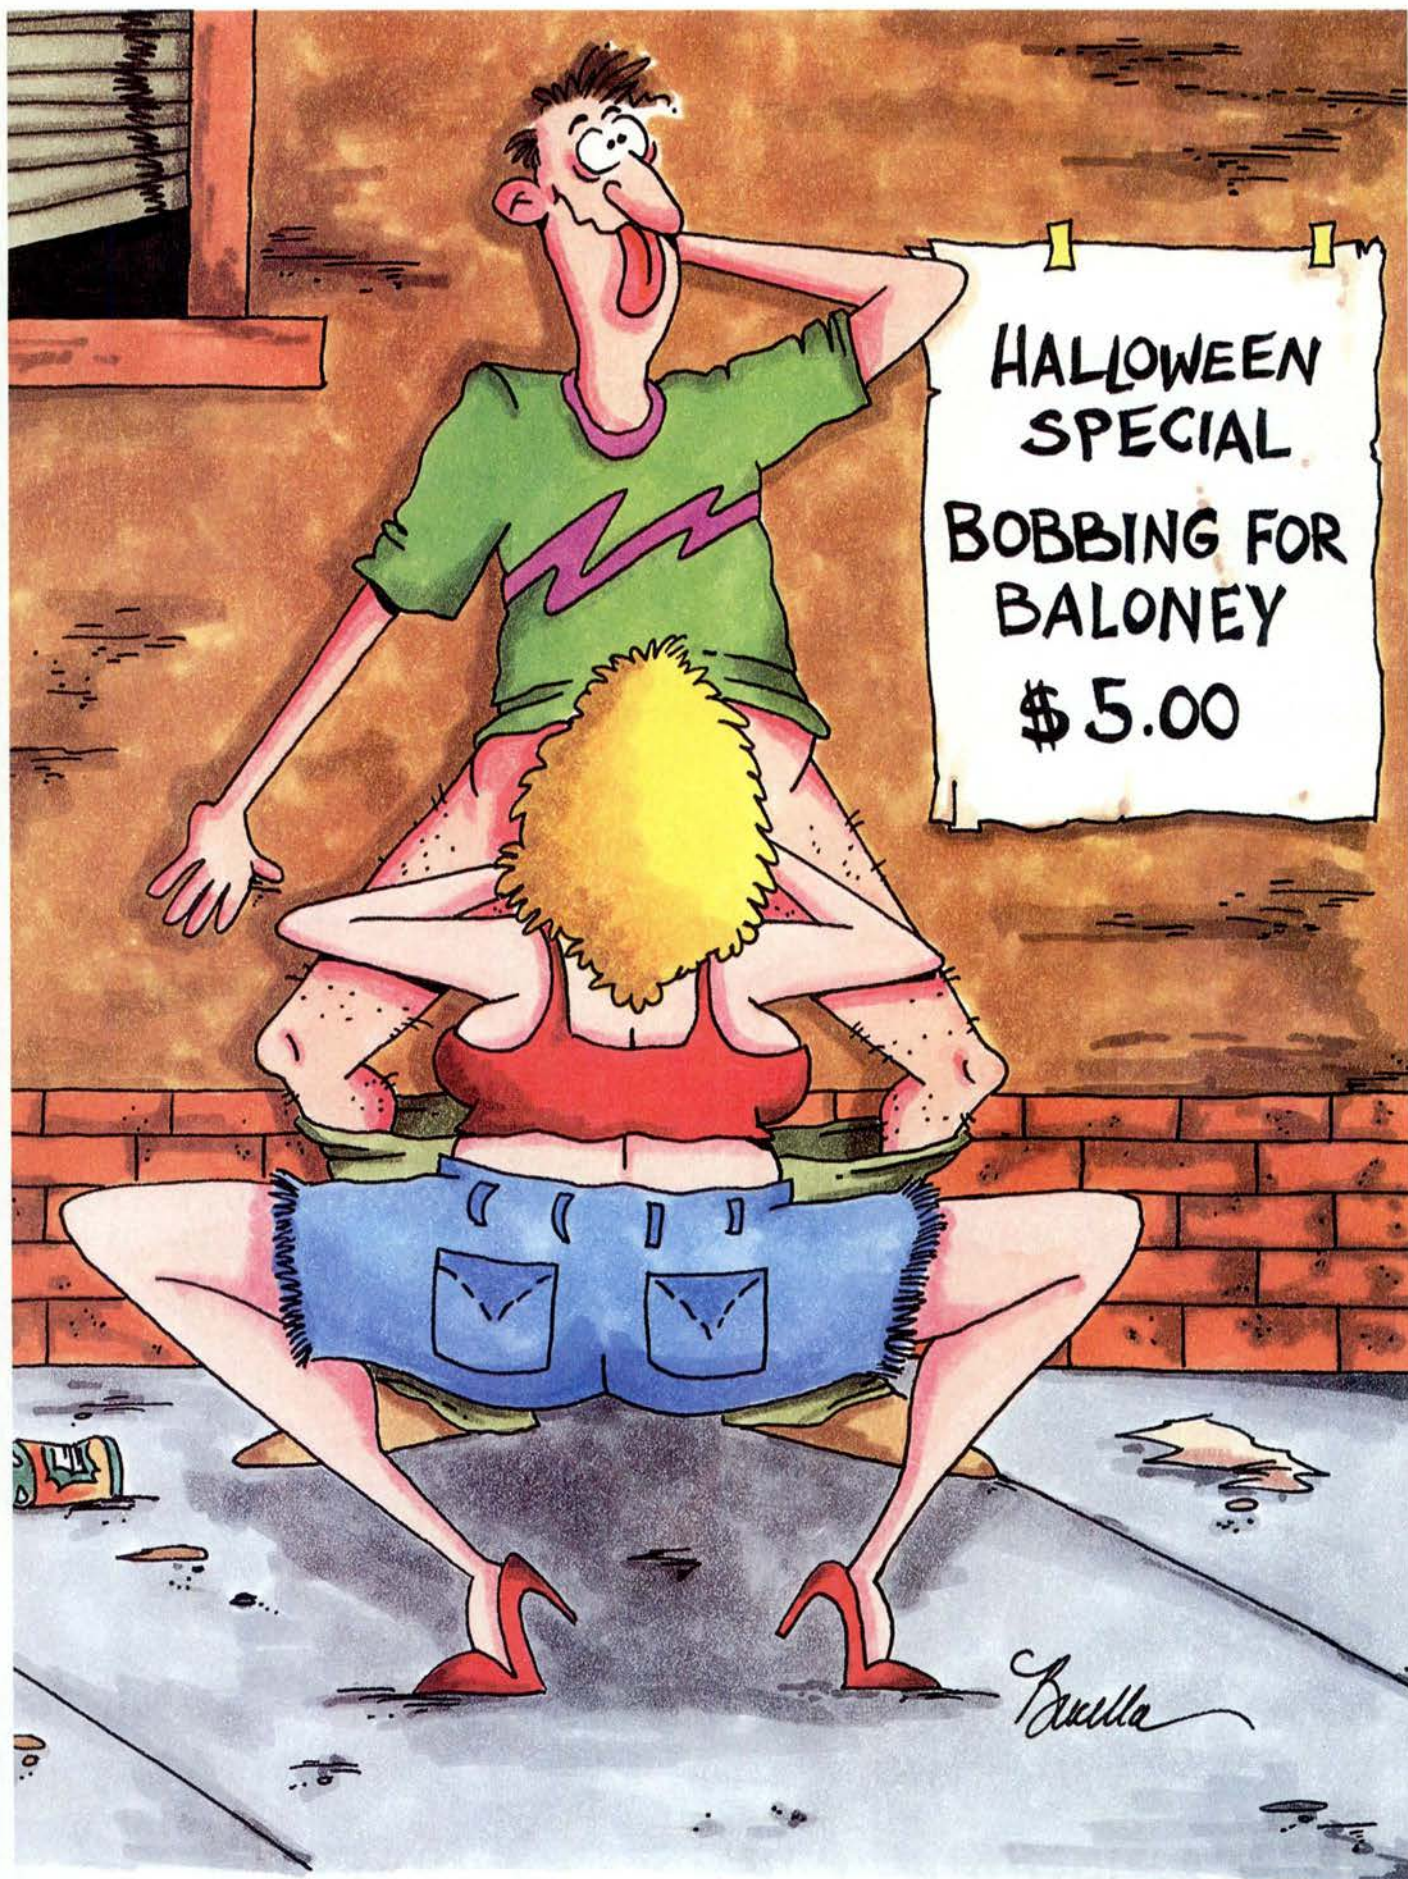

Most importantly, the absolute first rule of B&D recreation is: Never do something to someone else you haven't tried on yourself first, including, but not limited to, such activities as cigarette burns, hot wax, branding, tattooing, piercing and colonic irrigations.

Despite the high visibility and respectability of the Learning Annex imprimatur, B&D aficionados, including Mistress Ava, run a fairly closed shop. They make contacts cautiously and don't suffer outsiders gladly, although they probably believe that anyone who knows what they know would never settle for vanilla sex again.

Francine died and went to heaven, where she was given a tour of the place by the angel Dionne, who wanted to make sure the new arrival felt at home. "We have all kinds," the angel explained, pointing out a group of Moslems drinking Turkish coffee in one corner, a number of Buddhists gathered under a tree, and a group of rabbis strolling by, making sure their yarmulkes didn't fly away in the breeze.

A high wall to one side couldn't obscure the tinkle of piano music, the clinking of ice in glasses and the dull roar of pleasant conversation. "And who's behind the wall?" inquired Francine.

"Ssh," cautioned Angel Dionne. "Those are the Catholics. They like to think they're the only ones here."

Question: What's the difference between love, true love and showing off?

Answer: Spitting, swallowing and gargling.

The aging mother was on her deathbed, and one of her last wishes was to find out what was happening with her youngest son, Charlie. Charlie had been a very strange, sick child who had run away from home at age 16. One of her daughters agreed to track Charlie down, and the old woman clung to life. Finally, the daughter returned and told her mother, "I found Charlie, and I've got some good news and some bad news."

The mother whispered, "What's the good news?"

"He's off drugs, and he spends all of his time stuffing animals."

"And what's the bad news?"

"He's not a taxidermist."

A busy surgeon returned from a two-week hunting trip complaining angrily to his wife, "I didn't kill a damn thing!"

"Well, darling," she replied, "that's what you get for neglecting your practice."

A priest walked into a bar and found a raucous scene. Everyone was dancing, drinking and yelling, and music was blaring. Suddenly, when they noticed his entrance, the entire patronage became quiet.

He approached the bar and asked to use the facilities. The bartender leaned over and whispered, "I don't think that's a very good idea, Father." The barkeep obviously wanted the priest to leave, lest business slow down.

"Please, sir," begged the priest. "I won't be long."

"You see, Father, it's like this," the bartender explained. "There's a beautiful statue of a naked woman in the restroom, and she's only covered with a fig leaf. I just don't want you to be offended."

"Ah, my good man, not to worry," assured the priest. "If that's the only thing that's bothering you, you have no problem. I shall take no notice of the statue."

With that, the bartender told the priest where to go, and off the cleric went. When he returned, the action in the bar was in full swing again. He questioned the bartender. "A few moments ago, everything was quiet and calm. Now—pandemonium! What happened?"

"Well," said the bartender with a grin, "you're one of us now."

"I don't understand," answered the priest.

"You see, Father, the lights in the bar go off whenever the fig leaf is lifted."

The HUSTLER Dictionary defines *masturbation* as: a self-service elevator.

A furious pounding in a hotel room late at night awakened a number of guests. The hotel detective was called, and he let himself into the room. Inside, he found an elderly man cursing and banging away on the wall with both fists.

"Stop that!" the detective ordered. "You're disturbing the whole hotel."

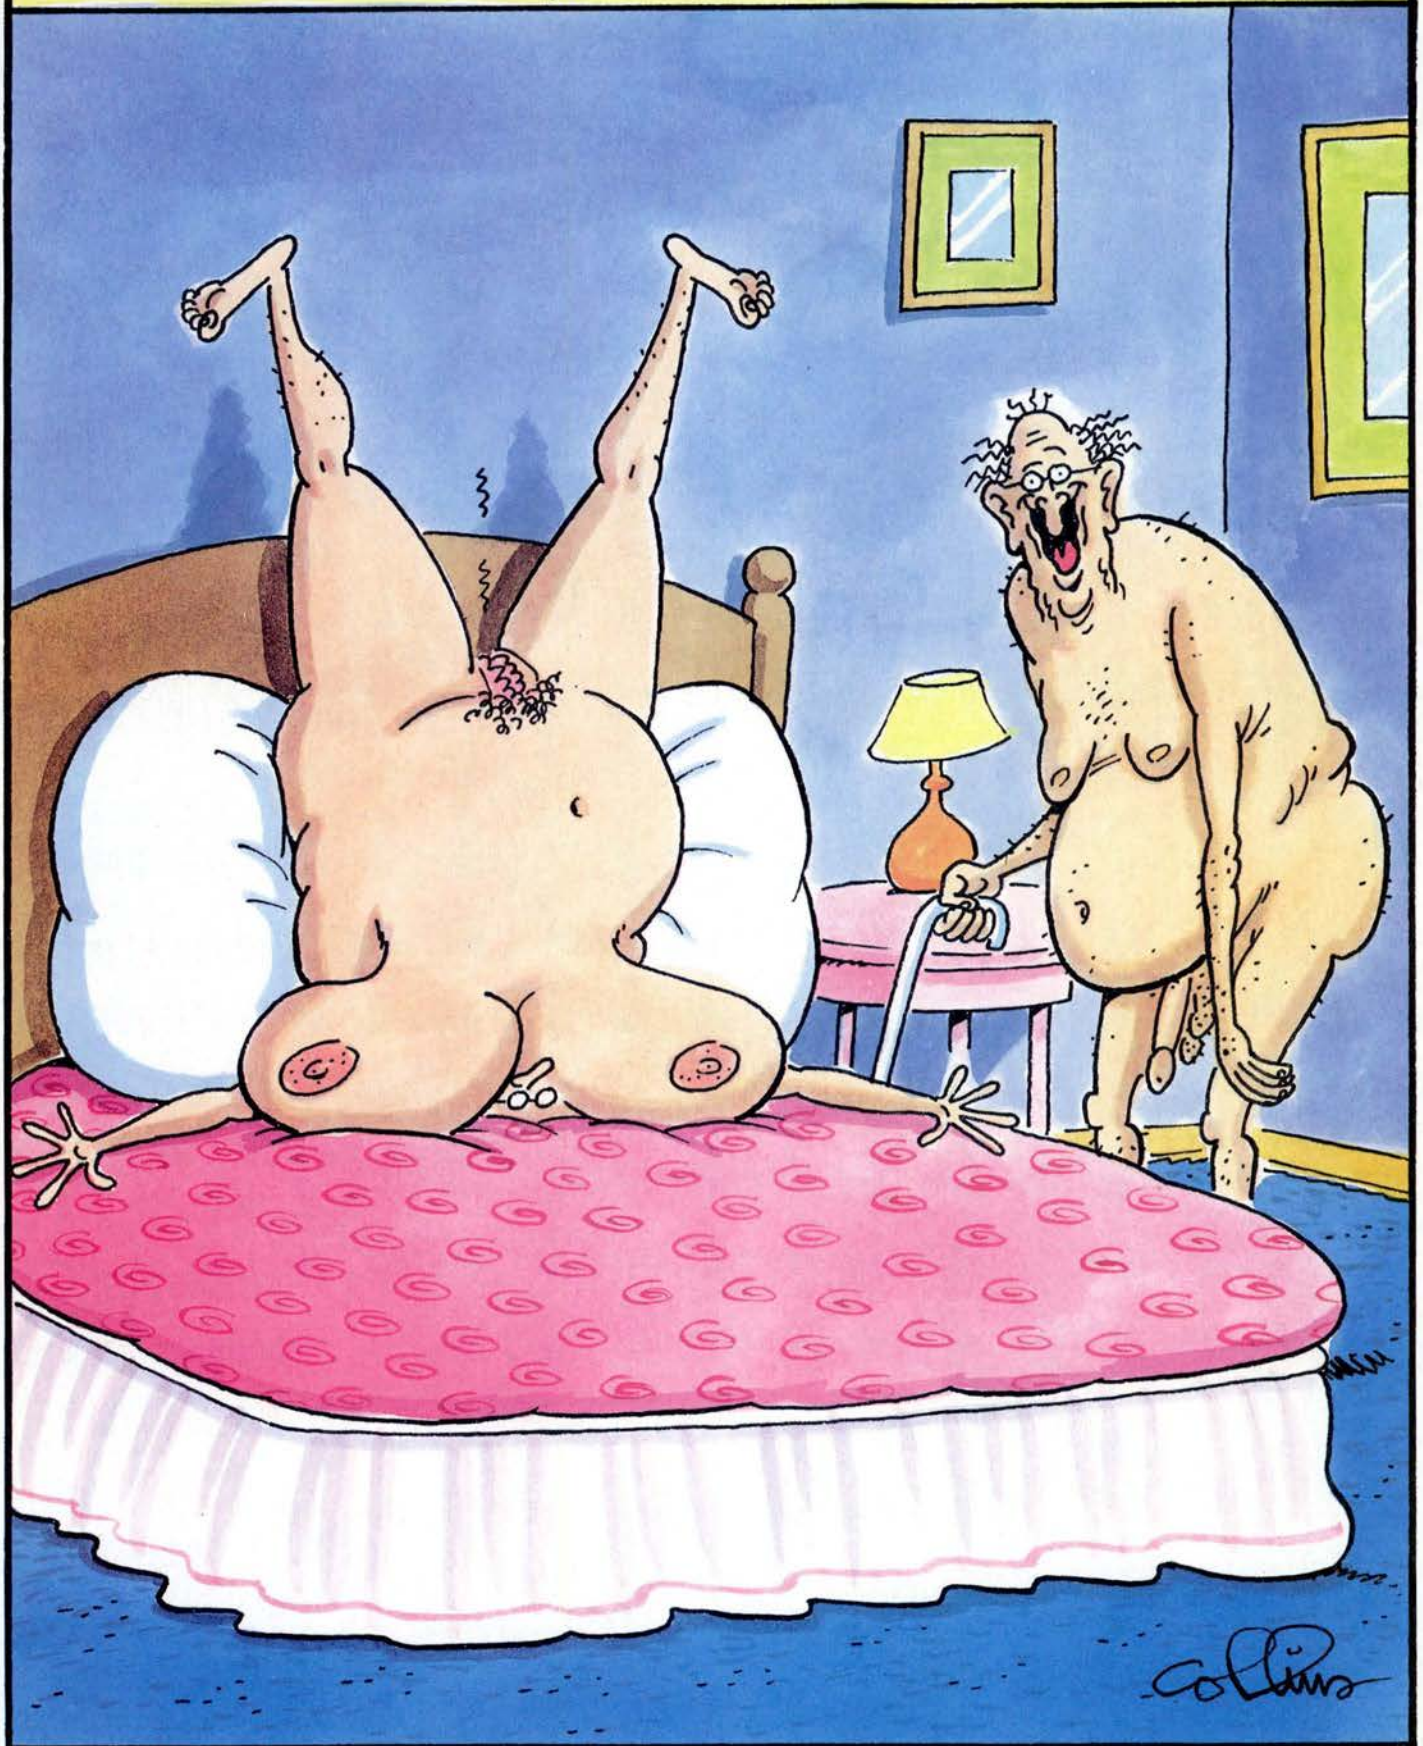

"Damn the hotel!" the elderly man spat. "It's the first erection I've had in years, and both my hands are asleep."

Question: What did Dan Quayle say when he was asked for his opinion on *Roe v. Wade*?

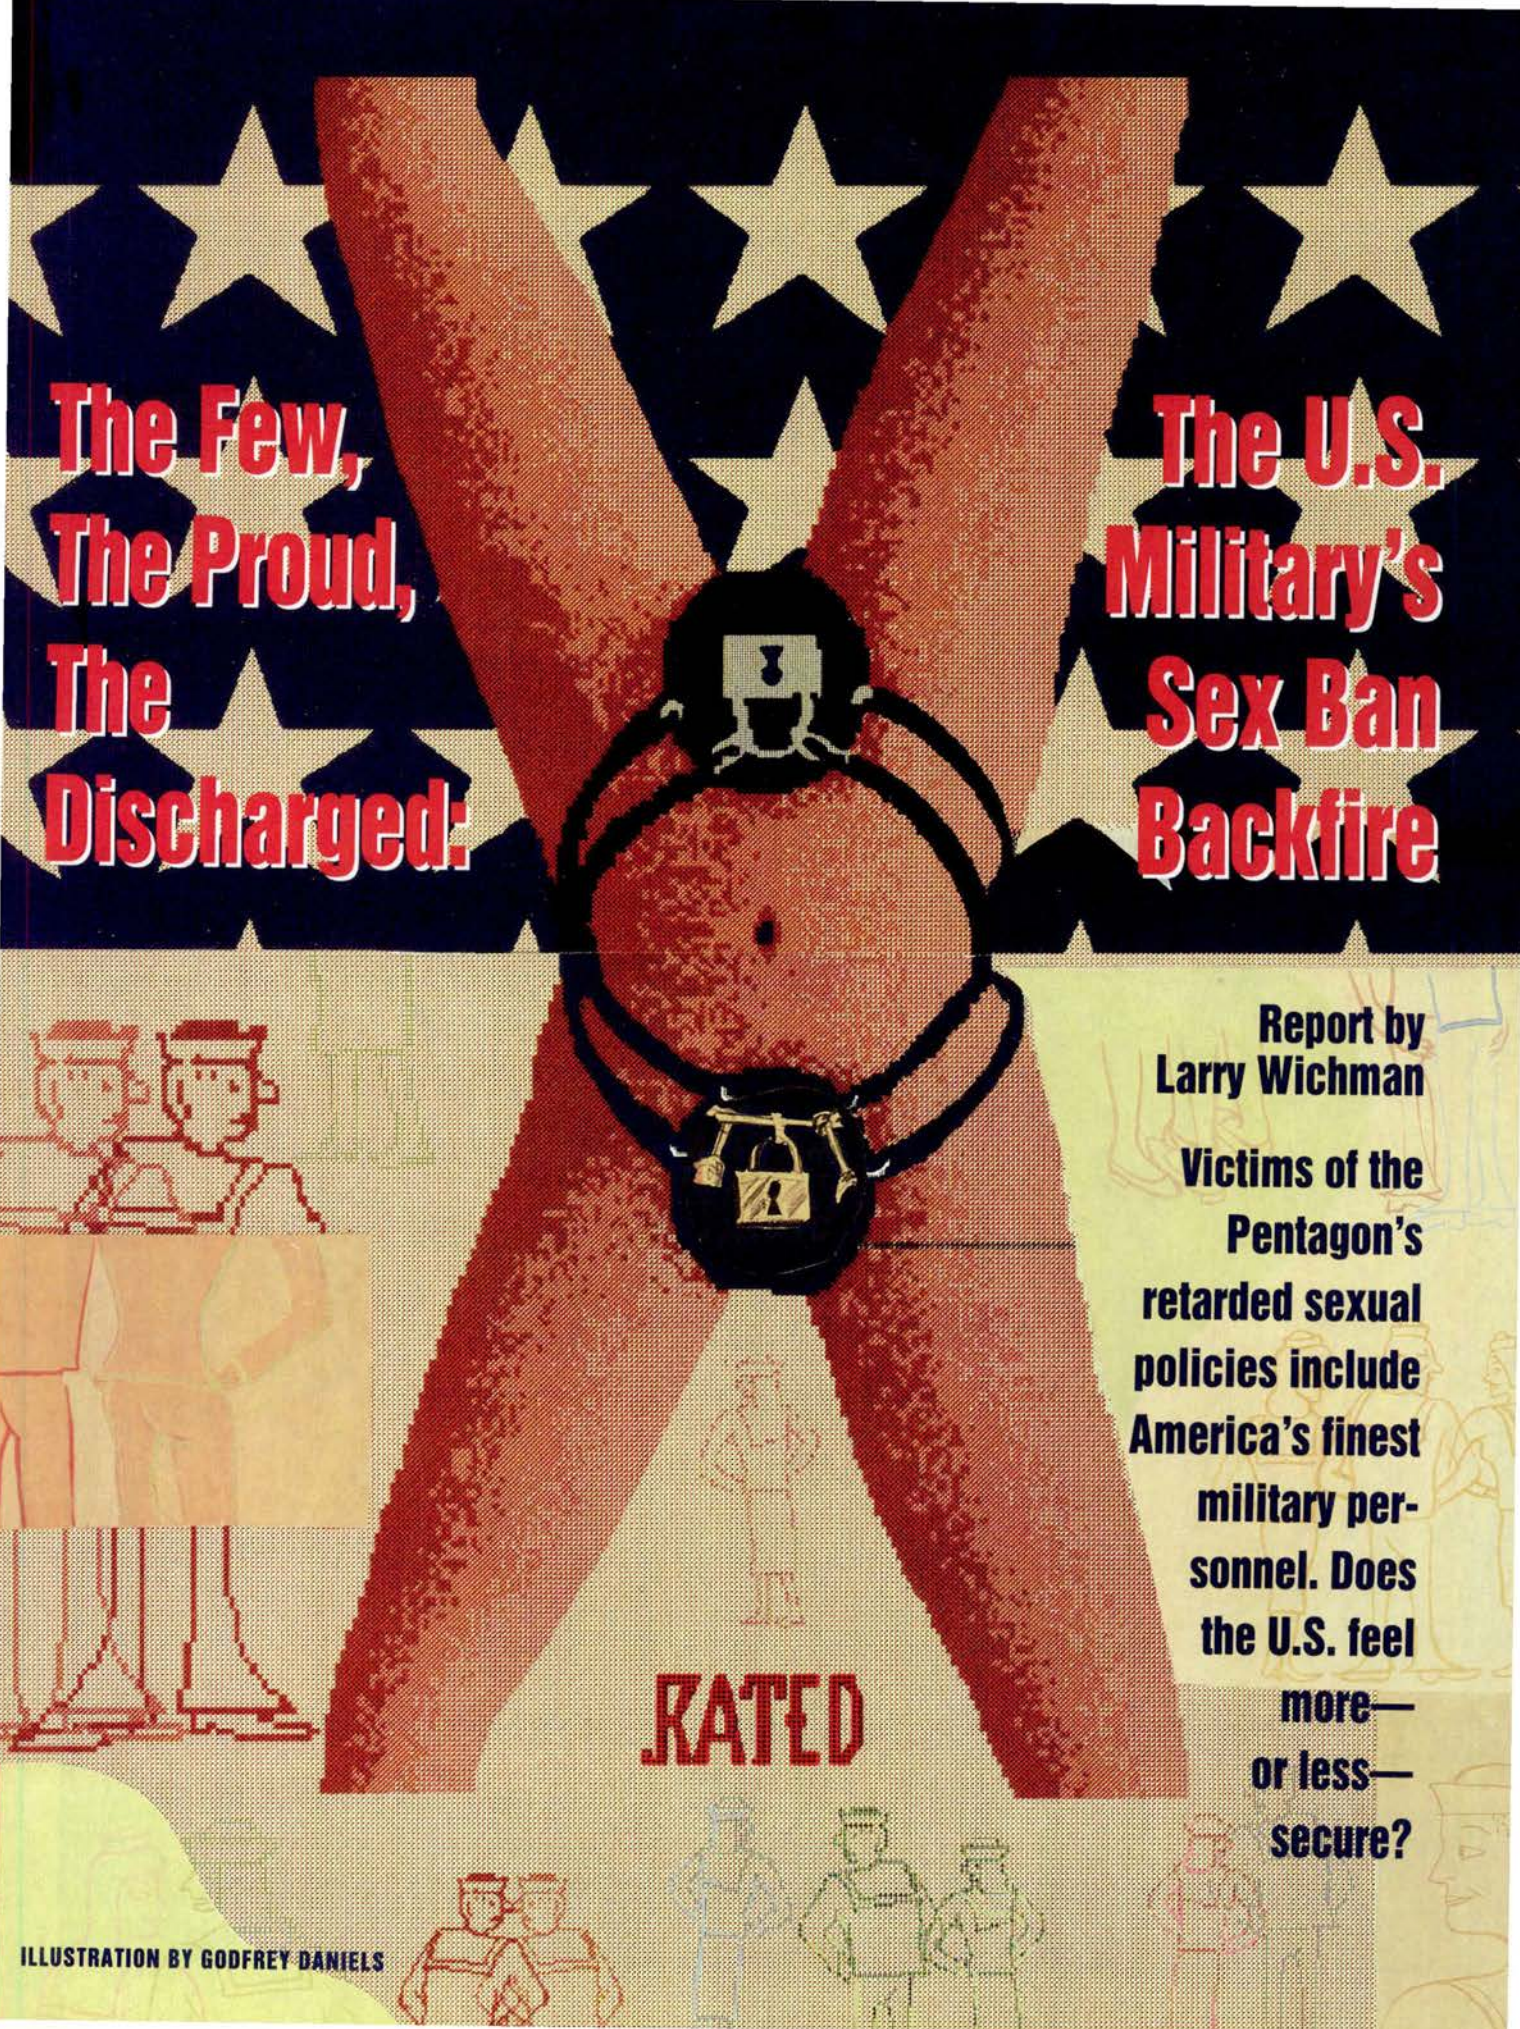

Answer: "I prefer to float."

THE FEW, THE PROUD

According to the Pentagon, romance is so widespread among Navy crew members that one in six women on sea duty is lost to pregnancy each year.

On April 19, 1989, aboard the U.S.S. *Iowa* on a training exercise in waters 330 miles northeast of Puerto Rico, Petty Officer 2nd Class Clayton M. Hartwig, 24, unwittingly rammed destabilized gunpowder into the breach of one of his ship's massive, 16-inch guns. The resulting explosion and fire tore through all six levels of the battleship's Number Two gun turret, killing 47 of the 58 crewmen in the area.

Initial press reports focused on the Navy's concern over the improper storage of the *Iowa*'s gunpowder. Munitions experts cited the likelihood that the powder had destabilized after prolonged exposure to extremely high temperatures while stored aboard aluminum-covered barges during an overhaul of the battleship the previous summer.

Within days of the disclosure, the Naval Investigative Service (NIS) and the FBI, undertaking a joint investigation, began to leak news of a more politically palatable scenario. Instead of pinning the blame on Navy mismanagement, they claimed the blast had been the deliberate work of a sexual deviate—a homosexual saboteur.

The NIS portrayed Petty Officer Hartwig as a troubled homosexual who'd sabotaged the firing drill in an act of murder-suicide intended to take the additional life of Gunner's Mate 3rd Class Kendall L. Truitt, coincidentally one of 11 sailors in the turret to survive the blast. It was suggested that Hartwig and Truitt had been lovers, and that the affair had come to an unhappy ending when Truitt married six months earlier.

Despite the lack of hard evidence to substantiate their theory, Naval investigators based conclusions of homosexuality on the fact that Hartwig had named Truitt as beneficiary on a \$100,000 life-insurance policy. They leaked alleged testimony from another sailor whom Hartwig had supposedly propositioned just before the disaster, and went so far as to plant a false story in *Newsday* claiming that a crude detonating device and a book entitled *How to Get Even Without Going to Jail* had been found in Hartwig's car.

Although other investigations supported the idea that the munitions were at fault, the theory put forth by the NIS gained

wide credence among naval brass. Hartwig—guilty only of being a loner—was the perfect scapegoat for a homophobic military determined to save face.

Antiquated sexual policies in the Defense Department threaten to undermine the morale of the armed forces and rob them of their most experienced personnel. According to the Pentagon, shipboard romance is so widespread among Navy crew members that nearly one out of every six women on sea duty is lost to pregnancy each year. Thirty-six of the 360 women serving aboard the U.S.S. *Acadia* returned pregnant from the Gulf War. The press jokingly dubbed *Acadia* "The Love Boat," but for the Navy, which saw the U.S.S. *Yellowstone* return from the Gulf with 20 pregnant sailors of its own, shipboard sex was no laughing matter.

A pregnant sailor represents the loss of a skilled worker, often serving in a highly technical position, trained at considerable expense to U.S. taxpayers. Yet when the Navy embarked on a program to outfit non-combat vessels with coed crews, on average at least 30% female, it failed to consider the sexual and social implications realistically.

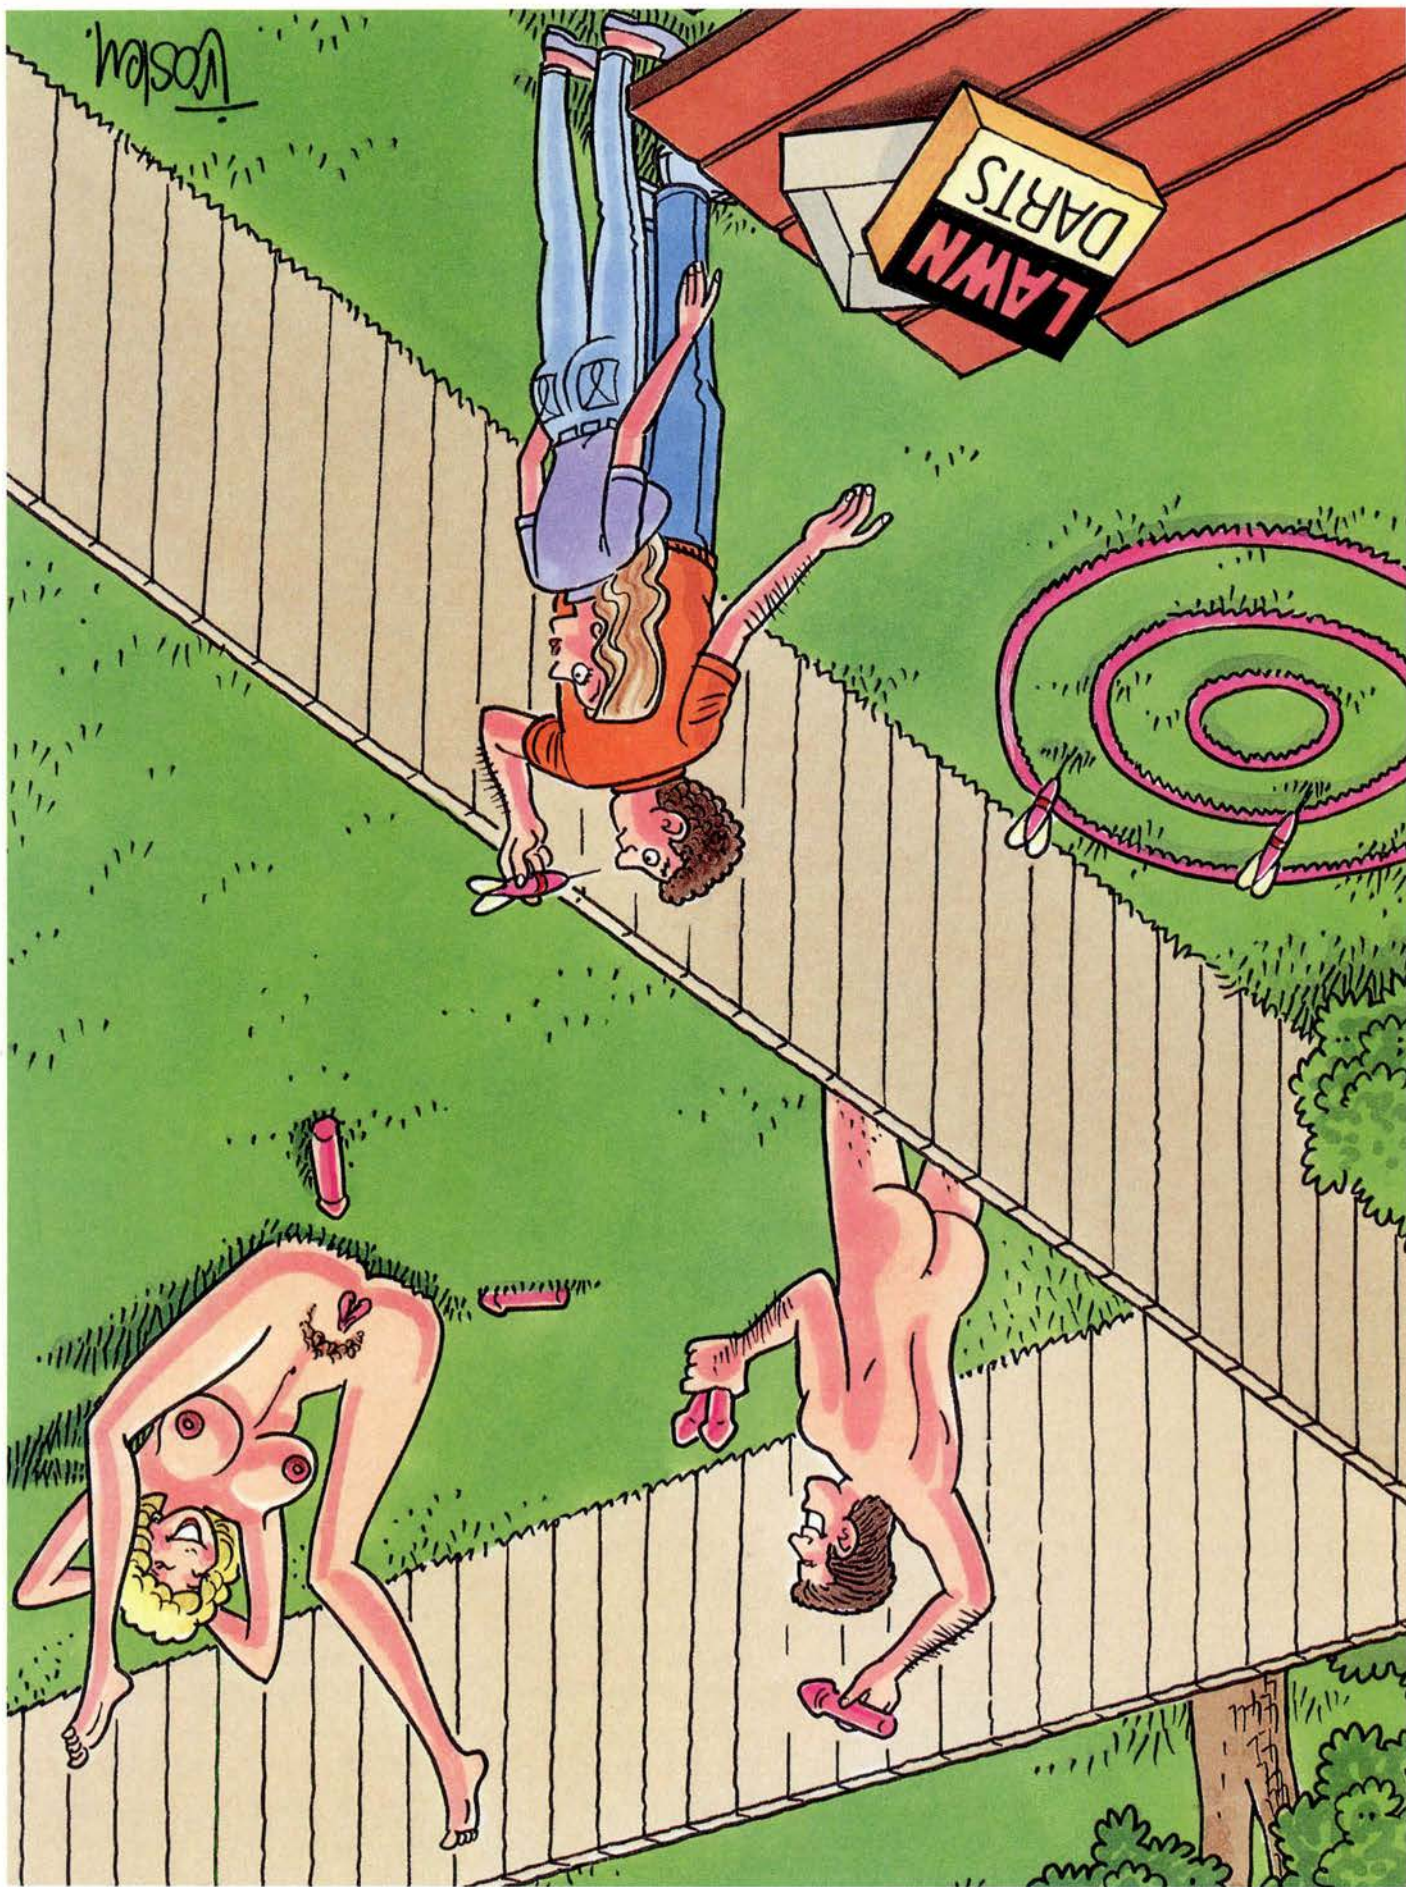

With men and women—most between the ages of 18 and 24—in close quarters at sea for several months at a time, issues of intimacy are bound to arise. Yet Navy brass decided upon a course of action that any parent with a teenager knows is doomed to failure: Navy admirals simply forbade their sailors to have sex.

"Hanky-panky is a problem," says military psychologist Charles Moskos of Northwestern University. "Propinquity breeds romance." But, says Moskos, no one in the Department of the Navy really wants to look at it.

According to Navy spokeswoman Lieutenant Commander Maureen Davidovich, shipboard sex is considered "detrimental to good order and discipline." Nonetheless, life aboard non-combat vessels, which are essentially floating factories, is reportedly so tedious that regulations against fraternization become unenforceable.

Finding a private place to have sex is no more difficult aboard a Navy vessel than securing an unoccupied room in an ordinary office building after hours. "At night, large areas of the ship are plain empty," explains a Navy seaman, who requests anonymity. "There are roving patrols, but they're like civilian security guards. They walk the halls checking to make sure doors are locked, but they only enter areas where classified materials are kept. If a person is careful, he can do what he wants."

THE FEW, THE PROUD

Cammermeyer saw her 30-year military career destroyed when she admitted under rigorous questioning that she was a lesbian.

To further complicate matters, the Navy's ban against homosexuality may literally force women to become sexually active. Congresswoman Pat Schroeder, a defender of women's rights in the military, suggests that servicewomen feel that they have to have sex or they'll be labeled lesbians. "Women are damned if they do and damned if they don't," says Schroeder.

Servicewomen who take part in the Navy's recently instituted program to provide free contraceptive devices complain of long waits to see gynecologists and of receiving birth-control pills well past the expiration dates.

The program, which includes sex education classes, was implemented only after the Pentagon was compelled to realize what it should have understood from the very beginning—that if two horny sailors cannot be kept apart, measures must be taken to guard against conception.

Until recently, once a sailor was found to be pregnant, she was routinely discharged. Even today she is immediately reassigned to a job on shore and

given a six-week paid maternity leave. Four months after giving birth, the sailor is expected to resume sea duty. Since such tours typically last three years, many new mothers request—and are granted—discharges because of their volunteer status.

A "chastity belt" clause prohibiting pregnancy in the enlistment contract might discourage this kind of bail-out impregnation. Because no form of contraception is 100% effective, however, it's doubtful that such a clause would ever see the light of day.

In addition, prohibiting pregnancy would be unconstitutional, notes Nancy Buermeyer of the National Organization of Women. "The question is whether the military would be held to Constitutional law [on the matter]," she explains. "They've been exempted from the Constitution on a number of different issues."

In the past decade alone, the Pentagon's taboo against homosexuality has resulted in discharges for more than 13,000 military personnel, two-thirds

of whom were suspected lesbians.

In 1989, Army National Guard Colonel Margarethe Cammermeyer, whose distinguished performance earned her a Bronze Star in Vietnam, a doctoral degree in nursing and a Meritorious Service Medal, saw her 30-year military career destroyed when she admitted under rigorous questioning by Defense Department investigators that she was a lesbian. Had she lied during her security clearance interview, she would likely have become the Army National Guard's chief nurse.

Cammermeyer, a neuroscience specialist and the mother of four sons, was a married woman when she initially enlisted in the military. At her administrative review hearing, Cammermeyer told the panel of Army colonels that she considered her homosexuality a very private, very personal identity that had no bearing on her work.

The colonels responded by admitting that she had been a great asset to the military and had exhibited superb leadership. Then, citing the Pentagon's prohibition against homosexuals, they promptly terminated her commission.

"The ironies [of Colonel Cammermeyer's dismissal] are incredible," says Lawrence J. Korb, former assistant secretary of defense. "Here's a woman who goes to Vietnam, gets awarded a Bronze Star, and is thrown out of commission for violating a policy enforced by people who skipped Vietnam,"—a reference to Secretary of Defense Dick Cheney, who, according to Korb, was draft-eligible during Vietnam but avoided conscription by taking advantage of numerous deferments.

In a memo dated July 24, 1990, Vice Admiral Joseph Donnell, commander of the Navy's Atlantic fleet, admitted that the stereotypical female homosexual is hard-working, career-oriented, willing to put in long hours on the job and among the command's top professionals. He then went on to instruct the officers in charge of nearly 200 ships and 40 shore installations in the eastern United States to dismiss every lesbian they could find.

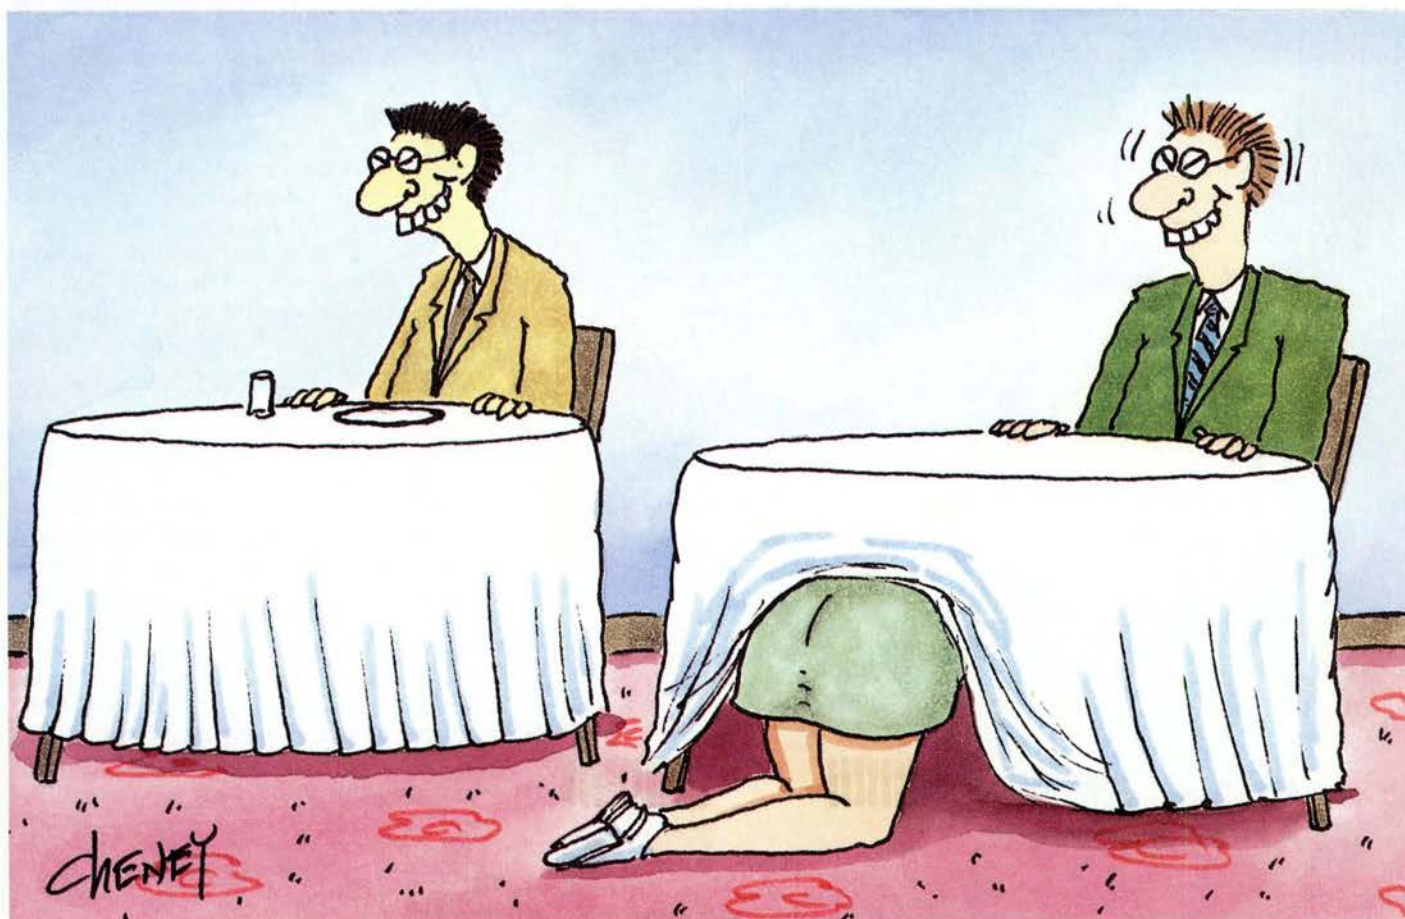

Admiral Donnell warned his commanders that detecting lesbians would be particularly difficult because they were more aggressive than their gay, male counterparts, intimidating any woman who might turn them in. He further warned of a "predator-type environment" in which senior, more aggressive female sailors exert subtle coercion or make direct advances on young, vulnerable, straight female colleagues.

"With a document like [Vice Admiral Donnell's memo], the Navy almost caricatures itself," states Massachusetts Con-

gressman Gerry Studds. "If it is the Navy's present policy to root out top performers, what is going on here?"

Jim Woodward of the San Diego Veterans' Association raises concerns that the directive undermines morale among female members of the services. "It says to go after not only the best, but the senior women, because they are probably lesbians," Woodward explains. According to Woodward, the Pentagon's message to servicewomen is that, if they work hard to make a career out of the military, they can look forward to eventual allegations of homosexuality.

Nine days after Donnell's memo was issued, Iraq invaded Kuwait, and the Pentagon scrambled to muster every experienced fighting man or woman available.

Officially, the Department of Defense bans homosexuals from the services because it believes that the presence of such members adversely affects the ability of the armed forces to maintain discipline and morale, to foster mutual trust among service members, to ensure the system of rank and com-

mand, to facilitate assignment of service members who frequently must live under close conditions affording minimum privacy, to recruit and retain members of the armed forces, to maintain the public acceptability of military service, and to prevent breaches of security.

Prior to the Reagan Administration, the policy, which had been in place since World War II, prohibited homosexual acts but not homosexual orientation. In 1982 the Pentagon released an additional directive stating that even admitted homosexuality was to be considered sufficient grounds for discharge on the basis that it was reasonable to presume that homosexuals were going to commit homosexual acts—i.e., sodomy.

"Sodomy," explains attorney Mary Newcombe of the Lambda Legal Defense and Education Fund, "is defined in the Uniform Code of Military Justice [UCMJ] as oral- or anal-genital contact. Since the anti-gay policy presumes that gays are going to engage in

sodomy when there is no presumption that straight people are going to engage in it, we're arguing that gays are being deprived of equal protection under the law."

Newcombe successfully argued this point before the U.S. 9th Circuit Court of Appeals on behalf of client Dusty Pruitt, a former Army chaplain with an exemplary service record who was discharged for homosexuality in 1983. Pruitt's only offense was admitting her lesbianism during an interview with the *Los Angeles Times*.

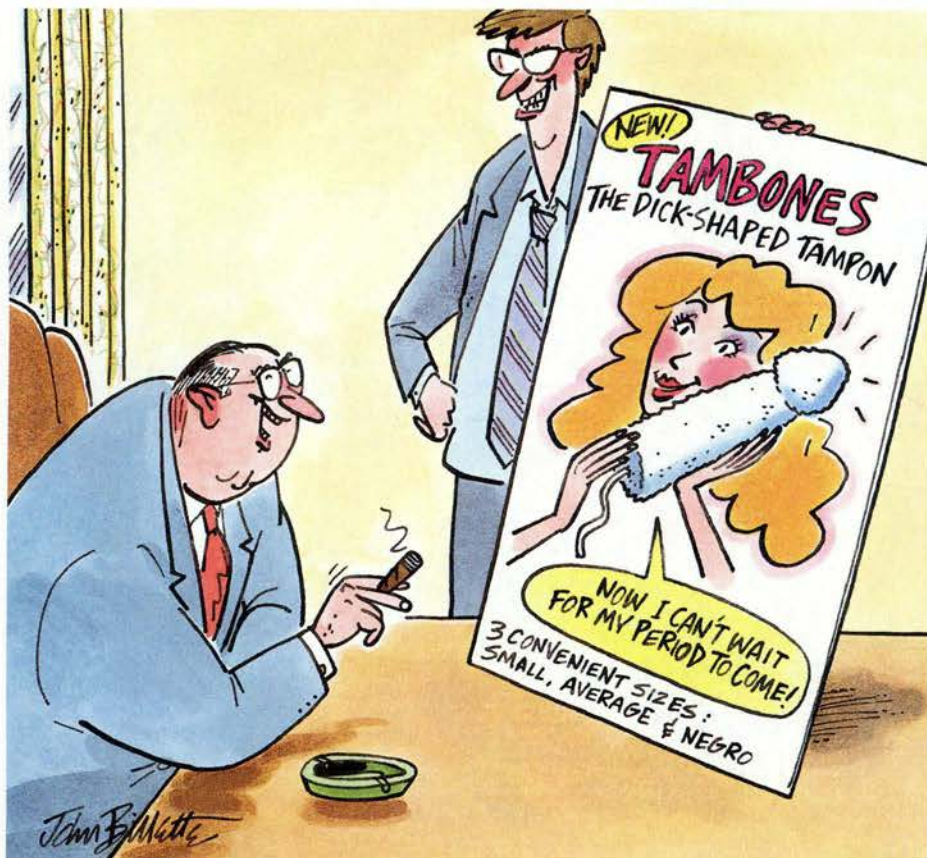

The court also stated that the military needed to provide evidence that it had a rational basis for its anti-gay policy, and that the ban was not merely based on prejudice.

Secretary of Defense Dick Cheney dismisses the security-risk element involved in allowing queers to serve in the military. He calls the idea "an old chestnut," a description supported by an October 1991 Pentagon study that found that of 117 Americans caught spying or attempting to spy for foreign governments since 1945, only seven have been identified as homosexual. Moreover, according to the Pentagon study, "their motives appear to be the same as for persons not identified as homosexual: primarily money, secondarily resentment."

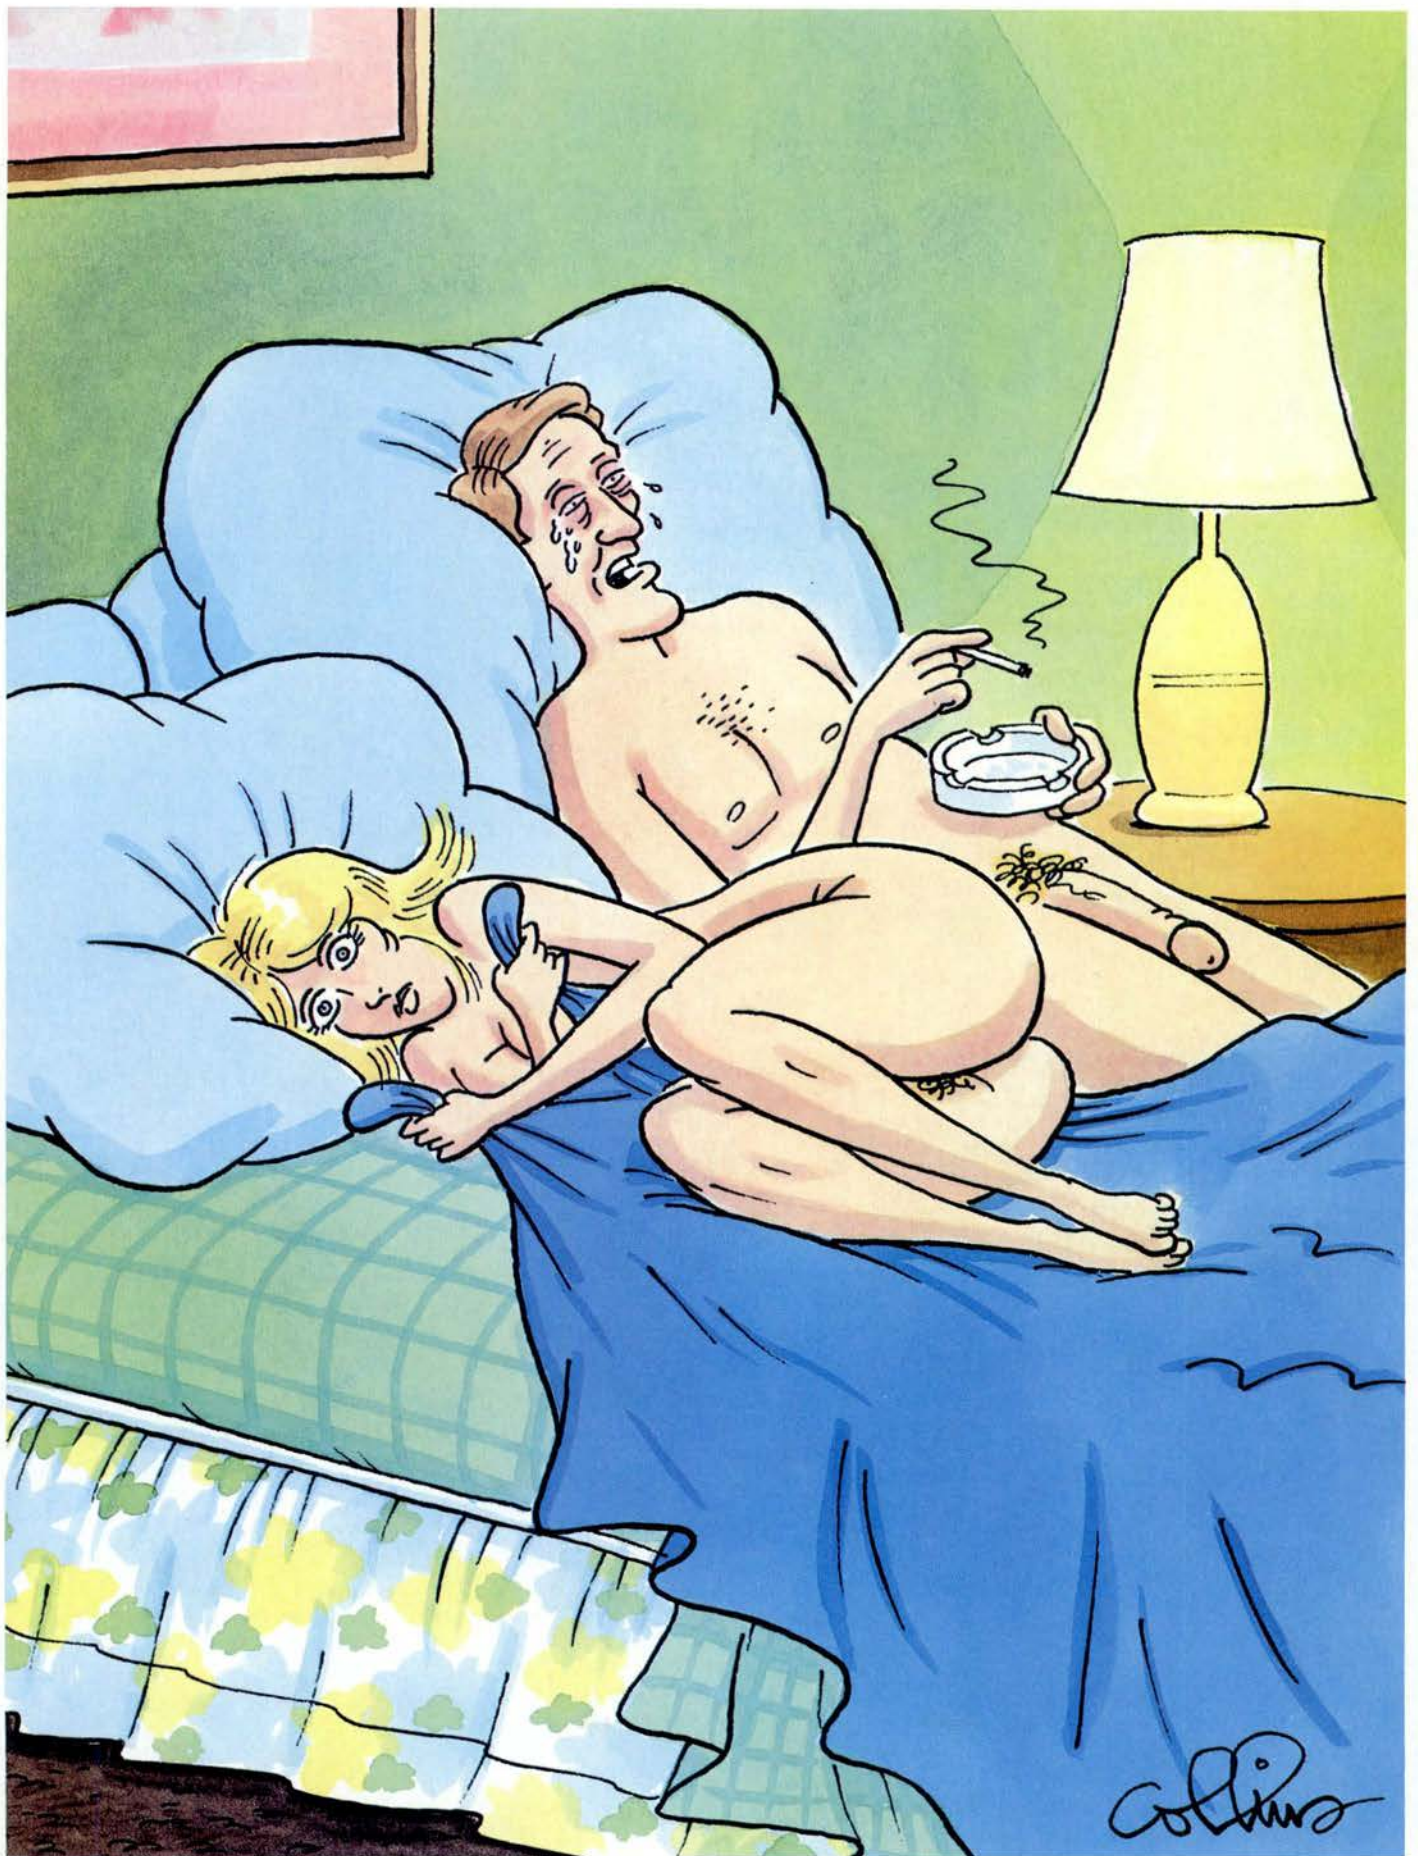

In August of 1991, a gay publication called *The Advocate* reported that a high-ranking aide to Secretary Cheney had been found to be homosexual. In response, Cheney defended the right of homosexuals to hold civilian jobs at the Pentagon, saying that as long as they fulfilled their professional responsibilities, what they did in their private lives was their own business. He quickly added, however, that the argument could not be applied to gays in active service due to the unique aspects of military life.

An equally stinging slap had been delivered one month earlier, when it was revealed that the Pentagon was discharging a number of known homosexuals the Defense Department had sent overseas to fight in Operation Desert Storm. The Pentagon responded to criticism of its wartime policies by denying that it had knowingly deployed gay or lesbian soldiers in the Gulf.

In June of 1991 the Army Times Publishing Company in Springfield, Virginia, which publishes *Army Times*, *Navy Times* and *Air Force Times*, refused to run a half-page ad congratulating gay soldiers for their performance in the Persian Gulf War because, according to the publishers, "there aren't any gays in the military."

"Higgins, you're a fuckin' genius!"

BATH TOYS

Good girls don't fool around at tub time. But clean-up for 19-year-old bad girls Mia and Marie takes forever ... "Hey!" objects Marie. "We're good!" She blows a tiny bubble off her tit, then cracks: "Good and nasty!" "The dirtier we feel," giggles Mia, tongue-swabbing fore to ass, "the more we have to keep cleaning!"

S&M SCHOOL (continued from page 64)

"After he jerked off and came, Sally and I began poking his dick with small, sterilized sewing needles as punishment for spying on us."

chist in his 70s, remembers a time when S&M proponents were, for the most part, invisible, guarding their private lifestyles fiercely. "This is unbelievable," he marvels, gesturing to the open auditorium. "To walk into a hotel and have all this on display! Maybe it's because the government has become so totalitarian, and peoples' lives are so controlled, that more and more of them feel the need to externalize these erotic conflicts. To me, B&D is the only time when absolute power and absolute subjugation are manageable. I suppose the media has some hand in getting all this fresh blood interested, but those bastards are so out of control, I'd hate to give them credit for anything!"

Classmate Tomiko C., a voluptuous Asian woman in her early 20s, makes good money as a computer technician and fell into the S&M scene when her husband went to prison on a check-forging charge. "I started going to bars just to get out of the house," she says. "I got into B&D on a drunken lark, taking the part of a submissive lesbian with my best friend, Sally, in a scene acted out for a drunken lawyer. Even though I was the one being tied up and whipped," she smiles,

"I was really getting off on the power triangle. After he jerked off and came, Sally and I tied him up and began poking his dick with small, sterilized sewing needles as punishment for spying on us. I realized that I loved turning the power tables on men, and that they loved it too." Tomiko is currently working part-time in a B&D dungeon, training to become a dominatrix.

Bits of chalk flying under her grip, Mistress Ava scrawls her mandatory reading list on a blackboard near the stage: *The Claiming of Sleeping Beauty* by Roquelaure; Terence Sellers's *The Correct Sadist*; Barbet Schroeder's film *Maitresse*; and, of course, von Sacher-Masoch's *Venus in Furs*, the text that outlined the original syntax for S&M and inspired an infamous song of the same name by the Velvet Underground. The Velvet's song ("Shiny, shiny, boots of leather/whiplash girlchild in the dark/kiss the whip in love not given lightly/kiss the whip now bleed for me") has been rerecorded recently by the black rock group Eye & I. Perhaps their version of "Venus In Furs" will help the B&D scene recruit more of a black following. While African-American

mistresses flourish in the scene, according to Mistress Ava, the black male submissive is virtually nonexistent.

Turning down the lights, she subjects the audience to an act of extreme sadism: an episode of the *Morton Downey, Jr. Show*. When Downey introduces his guest, Mistress Ava Taurel, his studio audience boos.

While Morton Downey preens, warts and all, Mistress Taurel proclaims, "A dominatrix has to be a man's unattainable dream...if she has sex with him, his dream is gone." She speaks of the spiritual values addressed in a B&D situation. It is through the phenomenon of heightened sensation, she avers, that one stretches the boundaries of one's humanity. A young man in the Downey audience takes the mike: "The only religion that supports S&M on the face of the earth is Satanism! You're right, it's spiritual! But on the wrong side of the cross!"

Downey cuts to two guys behind a screen with voice harmonizers disguising their voices. Mr. X and Mr. Y murmur in hushed, reverent tones about their S&M proclivities. Mr. X admits that even if his wife were willing to indulge his submissive fantasies, he wouldn't want her for his fantasy mistress. Mr. Y remarks that his mistress both rewards and punishes him with pain. The seeming paradox puzzles Downey, who asks Mistress Ava to explain the difference. She informs him that the difference is all in the application. After reward-pain, for instance, she makes a point of hugging her slave and caressing him.

To which Downey replies, "This is as sick as anything I've ever heard!"

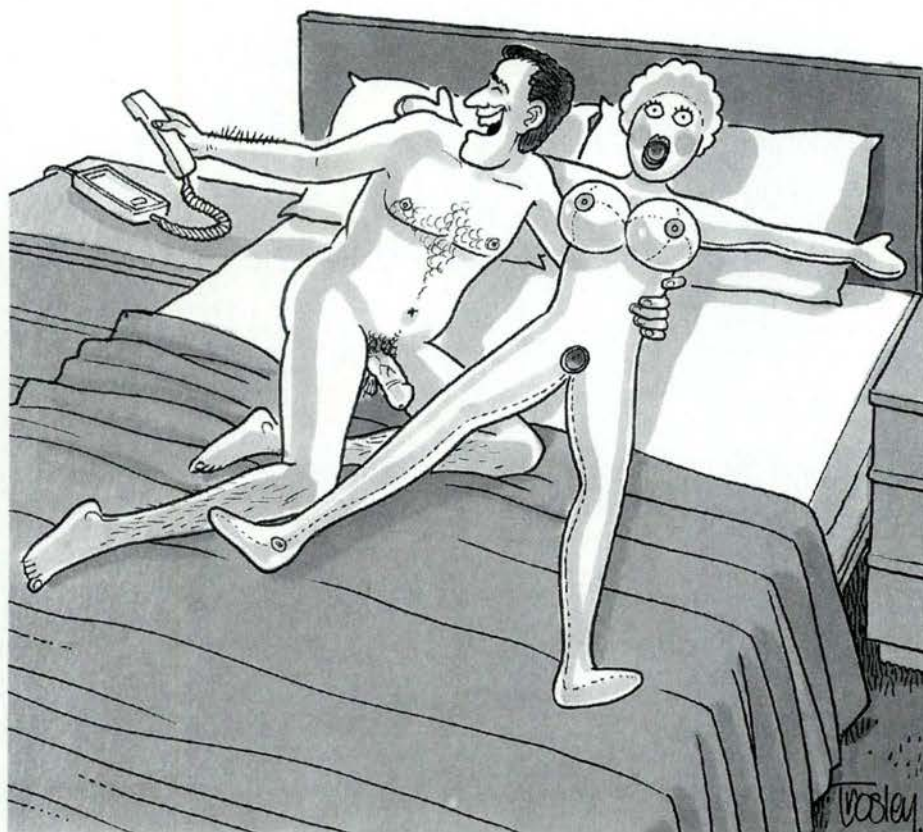

After a short intermission, Mistress Ava reappears transformed, her professorial street garb shed in favor of pure, dominatrix magnificence: thigh-high black-leather boots with stitches running up her thighs, a silver- and black-leather corset constricting her full figure into hourglass pulchritude. The globes of her mammoth mammaries spill out nearly to her chin.

Pulling a leash and collar from a black-leather bag filled with B&D sex toys, she asks for a volunteer from the audience to participate in an S&M demo.

The lucky recipient of Mistress Ava's dominant attention is a maiden whose blond hair cascades down her back in a tightly wound braid. Her face, smiling woodenly, is a strangely kaleidoscopic mix of Gretel and the Witch: at one angle, a beauty; at another, a story-book crone in the making. A tourist in L.A., from Vienna, her name is Eve.

Mistress Ava asks a series of questions: "Are you somebody's submissive in real life?" ("No," replies Eve.) "Would you like to have a master in your life?" ("Yes. A woman.") At this Mistress Ava smiles. "So that's why you came up here

(continued on page 104)

"Oh, it was nothing, my dear...just my stupid ex-wife telling me I'd never get laid again—ha!"

"Just a wrong number, dear. Some gal with a really sexy voice!"

S&M SCHOOL (continued from page 94)

Mistress Ava slaps her hard across the face, taking her by surprise. Eyes shining, Jean quivers, moaning as if staving off orgasm.

so willingly." The suppliant blushes.

When dealing with a first-time submissive, Mistress Ava explains, one should start with a very soft whip. The blonde from Vienna gets down on all fours. Mistress Ava firmly but gently corrects her posture. Back straight, buttocks up, like a dog on an end table. She asks for a male volunteer from the audience.

Up bounds a young man whom Mistress Ava directs to whip-stroke the Viennese blonde's back and butt. Eve shows no response. Mistress Ava grabs the whip and announces she will hit harder—"to see if I can get a reaction from this woman." The young woman begins to scream under Mistress Ava's professional beating. Mistress Ava accuses her of faking her scream and decides to punish her for "those artificial screams that I didn't believe for a second." She grinds her spiked heel into the woman's hand. Eve squeals, more from delight than pain.

Mistress Ava suggests using a cane, but the young man from the audience is too inexperienced to use one. Mistress Ava demonstrates how the strokes of the cane should be executed diagonally, adding,

"When you really want it to hurt, you might want to separate the ass cheeks while you hit in the crack."

She turns a sharp eye to the Viennese blonde's reactions to the stinging assault, remarking, "This submissive is knowledgeable. It's very intimidating for a novice dominant to have an experienced submissive."

She proceeds to tie the two volunteers together face-to-face, and fits a rubber occlusion mask over the young man's terror-stricken mug. "This man really should be gagged," Mistress Ava snaps without mercy.

After watching the two commence to struggle onstage, she concedes, "I can see why this submissive prefers women to men."

She urges the young man off the stage and asks for a woman to come up and be dominated by the Viennese blonde.

The woman who volunteers is named Jean. Jean is young, haughty and plainly digs the idea of being beaten and humiliated onstage by Mistress Ava and the mystery would-be dom from Vienna. Mistress Ava quickly binds her and makes her crouch on the floor. As the Austrian beats Jean's fresh, new tail with a whip, Ava explains, "It's much more pleasurable when

a submissive feels the pain, even if they have fewer strokes. I've had slaves take up to 500 strokes!"

She shows Jean a different whip and forces her to sniff it. The scent of the rubber braids makes the volunteer smile.

"She has nice buns," remarks Mistress Ava as she orders the Austrian to hit her harder. Then she brings out a roller with spikes and moves it along Jean's back, butt and breasts. Over a rising chorus of moans and groans, Mistress Ava wonders aloud whether her nipples are pink or brown.

"Pink!" cries Jean. *Whack!* "What?" asks Mistress Ava. "Brown," Jean whimpers.

Mistress Ava offers the suitable submissive the reward of smelling her corset. As Jean closes her eyes and sniffs, Mistress Ava slaps her hard across the face, taking her by surprise. Eyes shining, Jean quivers, moaning as if staving off orgasm. Ava accuses Jean of soiling her hand with lipstick during the slapping and makes her lick the lipstick off. Then, at Ava's command, Jean crawls to the Austrian's feet and kisses them.

Mistress Ava is satisfied. Jean is weeping, a smile on her face. She stands up with a look of having just been fucked. She is not the same hard, haughty bitch who ascended the stage minutes before. She is an obedient, sexual submissive.

The audience bursts into applause.

* * *

The seminar winds up with an audience Q&A. How much does a dominatrix get paid? ("A good dominatrix really wants it as a lifestyle first," answers Mistress Ava.) What is the approximate income of a career dominatrix? ("It can vary from two hundred dollars a week to half a million dollars a year.") What kind of license is required in the State of California to work as a dominatrix? ("None.") How do you deal with jealousy between slaves? ("Explain to them in the beginning that you have more than one. People are far too possessive with their love partners. No slave belongs to any one mistress.")

Somebody wants to know about torture. Mistress Ava expresses sincere regrets that she can't demonstrate genital bondage at The Learning Annex. She does explain, however, how to rope a knot around a testicle, move around the other nut to separate the two, and then snake up the shaft with the same rope, making little knots all the way to the tip, to which a variety of torture instruments may be applied, including a cheese-grater, safety pins, rolling devices with spikes, or maybe simply one of her cunning, little, genital whips.

The one way to really blow an S&M scene? Laughing during a session. Laughter at the wrong moment can completely ruin the mood. Of course, with pins sticking into his dick, a guy's more likely to be crying anyway. ☹

"A JOURNEY INTO THE BIZARRE"

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen — we guarantee it! PAUL NORMAN, "The Master of the Unusual" goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed — XXX hardcore that appeals to every taste — every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen true hermaphrodites (people who possess a penis and vagina); Siamese twins who perform sex on camera; bisexual nymphs and satyrs who will do anything to get off; and much, much more! NOW — by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

with PAUL NORMAN... the master of the unusual!

PN-1 "BI & BEYOND" (Hermaphrodite with a woman) — The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!

PN-2 "PASSION BY FIRE" — A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!

PN-4 "BI & BEYOND 2" (Hermaphrodite with a man & woman) — A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuck fest such as you've never seen before!

PN-5 "JOINED" (Siamese twins with a man) — Perhaps Paul Norman's most incredible discovery of all — gorgeous young Siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish — to have sex with them! A must see, alone worth the price of the entire collection!

PN-6 "INNOCENCE LOST" — Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!

PN-7 "BI & BEYOND 3" (A hermaphrodite with a man) — A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manhole) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!

PN-8 "HEATWAVE" (Interracial bisexuality) — The black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuck fest ensues all over the boat!

PN-9 "SEPARATED" (Siamese twins with two men) — The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurting orgy of double fucking and sucking!

PN-10 "BI & BEYOND 4" (Super-hung black hermaphrodite with a man) — "Herculina," the incredible black hermaphrodite with a 12 inch penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!

PN-11 "OFFERING" — Imagine what happens when 8 multi-organic male & female bisexuals get together for an "orgy to end all orgies." It's all here — hot, wet, and up-close, as Paul Norman's camera record the most cum-saturated sexual encounter ever filmed!

You Can

ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG... how really FAT... how LONG... how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement - join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

THE "NEW POTENCY PATCH™" STIMULATES POTENCY & VIRILITY!

THE SEXUAL "POTENCY PATCH™": EROTIC HERB STIMULANT!

For the first time a comprehensive combination of herbs and natural substances to improve sexual vigor and the ability to enjoy a full sex life.

TO SATISFY AND TO BE SATISFIED!

Your patch continuously emits micro nutrients. No pills to remember. No uncertainty of absorption through digestion.

Your patch delivers transdermal infusions of the most sexually potent "erotic stimulants"! These exotic ingredients are derived from nature. Each with a long history of potency. Completely natural! Not a drug, not a caffeine stimulant. NOTE: It is easier to prevent sexual failure than to fix it!

The Pilgrimage's exclusive combination of "natural" erotic stimulants embedded in the "Potency Patch" applies the latest technique to nourish virility and sexual stamina.

INGREDIENTS:

- 1) **Yohimbe:** Pharmacological reviews: V.35. "Fantastic erection-promoting ability." Stanford University: Yohimbe triggered a sexual frenzy in animals. "Science 1984 Aug."
- 2) **Saw Palmetto:** Considered a stimulating tonic. Used to increase the function of the testicles. Herbalist regard it as an aphrodisiac.
- 3) **Ginkgo Biloba:** Corrected blood flow to the penis caused by arterial insufficiency. (Journal of Urology 141:166A, 1989).
- 4) **Vitamin E:** Crucial to the reproductive system.
- 5) **Panax Ginseng:** Ginseng has been shown to increase sperm formation in animal studies which tend to support the use of Ginseng to promote fertility and 'virility'. Historical and experimental evidence traces its use in ministering to male infertility and testicular atrophy. (British Med. Journal i:1284, 1978 and i: 1556, 1978.)
- 6) **Schizandra:** Herbalist use it for igniting sexual energy.
- 7) **Dulse:** Contains 23 minerals and the oyster's secret sexual stimulant: iodine. Plus "The Mineral" that prevents "Bedroom Fatigue".
- 8) Because nutrition is the key to sexual ability and vitality, the above ingredients are contained in a base of the world's most potent nutritional substance "green barley".

MONEY BACK GUARANTEE

OPTIONAL PSYCHOLOGICAL KIT
\$19.95 or FREE with 90 Day Supply

Because sexual performance is a "Mind-Body" operation "The Kit" contains two powerful cassettes: One subliminal and one hypnotic (to spark the maximum input from you mind). A **hypnotic tape** to revive sexual ability and desire and a **subliminal tape** addressing every known psychological aid to potency; "PLUS" deep, arousing sexual stimulation through the actual recorded "subliminal" sounds of **women crying out in the midst of real orgasms!**

TESTIMONIALS: "...Stiff as a board again! I feel like 19!" AC CT.
"Took less than 2 months, and I'm coming around!" PD IL.
"Thanks! Even my wife thanks you!" JF CHGO.

Simply apply "The Potency Patch" to any part of your body.

**8 HOURS OF SUPERB
ROCK HARD VIDEO
...OVER 50 SIZZLING
TITLES YOU CAN VIEW...**

all for only **\$19.95**

The tough economy coupled with the restrictive legislative climate has made it imperative for the leading distributors and owners of duplicating facilities to put their ego's and competitiveness aside to create a **NEW MARKETING CONCEPT** that would change the way videotapes are sold.

IRON-CLAD GUARANTEE

- 8 FULL HOURS of total viewing pleasure!
- Each tape generated from either 3/4", or 1" or 35mm originals, NO EXCEPTIONS!
- No tapes duplicated in 3rd speed. ABSOLUTELY NONE!
- Many titles are award winners cited for excellence or outstanding action. NO LIE!
- GUARANTEED lowest prices on any offer of this type. ANYWHERE ON THIS PLANET.

The result of this new thinking was the formation of a new partnership - the **WORLD VIDEO ALLIANCE** (W.V.A.). Instead of 6 production facilities, why not have just one sophisticated facility? Instead of 6 tribes with 6 chiefs, why not just one great marketing complex that would revolutionize the adult entertainment business - where everyone benefits? **This includes you!**

The major single decision approved by the ALLIANCE was to pool funds and purchase state-of-the-art **HIGH-SPEED DUPLICATING machines**. We can now duplicate our 90 minutes features at the blinding speed of 2 minutes 34 seconds - and we **guarantee perfect quality**.

As a result of "cutting the fat" we can now sell the same titles you've paid as much as \$69.95 for as low as **\$2.85 each!** That's right! Less than the cost of a blank tape! To get this new merchandising concept off to an impressive start - the members of the ALLIANCE have contributed their "pride and joy" the "cream of the crop." They have put together **8 hours of superb, rock hard videos**. A compilation of **over 50 sizzling titles** from every major video production company. And this is all yours for a mere \$19.95... that's less than \$2.50 per hour of viewing. Can you beat that? If you are still in doubt... read our **GUARANTEE** again!

Send \$19.95 plus \$3 postage (total \$22.95) to:

THE WORLD'S BEST
SELLING PENIS
DEVELOPER NOW
OFFERED AT A
FRACTION OF ITS
ORIGINAL PRICE!

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

Our penis developer will increase penis length, thickness, and make your erection harder and stiffer.

Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

How does our penis developer increase your penis length and diameter?

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

NEXT MONTH IN HUSTLER

December HUSTLER on sale September 29, 1992

STOCKING STUFFERS

A snatchful of sugarplums are poppin' in HUSTLER's brand new bag in December, guaranteed to point south poles north. Wriggle inside the thigh-high, skintight boots of an insatiable, desert-island girl making do with a double-fisted, solo knuckle-hump; ride along with a lascivious, fire-engine redhead whose oil-lathered, limber legs start flesh fires by spreading wide and putting out; catch a peak-poking Alpine ski instructor and a frosty-nippled icebreaker plowing snowball-bursting blankets of white; and dress down with a couple of playacting gal pals whose private parts demand a pubic examination. Whether up or down the chimney, the lustiest season's greetings come in HUSTLER in December. Stay up for it!

SHOOT-UP SCREW UP

The drug war in America comes complete with body counts, concentration camps, martial law and innocent civilian casualties—as well as increasing restrictions on every American's civil liberties. The Bill of Rights, whose Fourth Amendment guarantees protection from unreasonable search and seizure, is fast becoming the major victim of a chemical jihad. Writer James W. Harris leaks the battle plans and criminal complicities of the "Just Say No" campaign in *Lawyers, Guns and Schedule One*, a blistering account of a military offensive whose primary objective is to undermine the Constitution.

NO HOLES BARRED

The cream of American cooze cozied up to HUSTLER phalosopher Christian Shapiro at the Hot d'Or porn awards ceremony in film-famous Cannes. Flesh phenoms Madison, Jeanna Fine, Raven, Cameo, P. J. Sparxx and a host of other happening hard-bodies spill the inside dirt to the terminally titillated journalist in *Cunts Who Cannes*. Whether describing the ups and downs or the ins and outs of Frenching with the foremost fuck phalanx, Shapiro has what it takes to gall the Gauls.

HOLIDAY LEER

While media-savvy feminist separatists exaggerate rape statistics in a ploy to garner sympathy for their special-interest agenda, the greatest damage may be to the real victims of rape, reports social observer Rene Denfield in "Cry Wolf!," HUSTLER's *Sex Play* for December. *Hot Letters* ejaculates an ever-more-scalding dose of epistolary erotica; *Beaver Hunt* takes a dozen more ladies of the neighborhood for a spread of fresh air; and *Bits & Pieces* wraps up the year with its best dirty tricks. Come, all ye fistfuls!
